CONCILIATION BOARD MAKES TWO REPORTS

In Case of Shop Crafts Two Members Recommend That Parties Confer on Permanent Rates of Pay and That Men Accept Proposed Reduction as From August 15

Mr. Simpson Thinks Plan Would Mean Shop Strike

OTTAWA, Sept. 5.—The majority report of the Board of Conciliation investigating the difference between the Canadian National Railway and the Canadian Pacific, the Grand Trunk and other lines included in the Railway Association of Canada and their shop-craft employees, recommends:

(1) The parties should confer with regard to permanent rates of pay.
(2) That the reduction of five, seven and nine cents an hour, of which the railways gave notice, be effective temporarily from August 15, but when definite rates are agreed upon they be effective from July 16.

The award affects approximately 35,000 employees. It is signed by Alex. Smith, of Ottawa, chairman of the board, and Isaac Pitblado, K.C., of Winnipeg, representing the employees.
James Simpson, of Toronto, has presented a minority report opposing the majority report.

OPPOSE PLAN OF SEGREGATION

Chinese Propose to Flight Action of School Board—Oriental Pupils Refuse to Attend School Yesterday

Protest against the action of the Board of School Trustees in providing for the segregation of Chinese children as planned by the opening of a special school on Railway Avenue was voiced by the leading Chinese residents of the city at a special meeting held last evening in the quarters of the Chinese Benevolent Association, Flagstaff Street.

The attitude of those Chinese present at the meeting was that the proposed action of the Board of School Trustees is a most drastic one, entirely uncalled for, and reflecting upon the self-respect of the Chinese.

The meeting considered ways and means for bringing about a protest strongly before the Board, and it is probable that as a result of the discussion the Chinese residents will seek legal advice to the end that their stand against the proposals of the Board may be further urged.

The attitude of the Chinese residents of the city in respect of the Board's segregation plan was set forth in the following petition which was forwarded recently to the Board on behalf of the Chinese Canadian Club, the Chinese Chamber of Commerce, and the Chinese Consolidated Benevolent Association:

"We, the undersigned Chinese merchants and ratepayers of the city of Victoria, hereby protest the coming action to be taken by the Board of School Trustees of the city of Victoria to segregate local Chinese students by means of a separate institution, solely and exclusively for the Chinese.

"It would be an act of grave injustice to discriminate and segregate the Chinese for no reason and ground whatsoever other than their purely and simply a selfish motive on the part of a few Oriental agitators, who have not the purpose of maintaining good feeling and friendly relations, and who strive to engender a feeling of antagonism against the Chinese.

"We could readily agree on a mild form of segregation, such as forbidding children of sixteen years and over from the Junior grades, but to take steps to debar Chinese students of British birthright, irrespective of age, location of residence and class grade from the public schools cannot be tolerated.

"If the Board of School Trustees cannot suggest a remedy other than the adoption of a separate school for the Chinese then we are prepared to entertain justice elsewhere through the medium of the courts or whatever remedy we see fit in the face of such a predicament."

In further protest against the action of the School Board, in order to segregate Chinese pupils, practically all the Chinese scholars who under that plan, were to have been transferred yesterday to the Railway Street school, refused to go and left for their homes. It was stated last evening that they will not accept the ruling of the Board and attend the schools into which they were to be segregated.

In response to the above petition the School Board, through its secretary, has notified the Chinese organizations complaining that "the Board of School Trustees is convinced that the best educational interests of the Chinese pupils demand that they be segregated up to the senior fourth grade. A special staff of experienced teachers has been selected and the organization of classes under the principalship of Mr. E. Butterworth, formerly of the Boys' Central School, is well under way. The intention is to operate two senior classes at Railway Street and King's Road schools and the remainder at Rock Bay school."

Canadian National Earnings

TORONTO, Sept. 5.—The gross earnings of the Canadian National Railway for the week ending August 31 were \$3,058,892, a decrease of \$348,840 from the corresponding week last year.

IRREGULARS BEATEN IN TWO SKIRMISHES BY NATIONAL FORCES

BELFAST, Sept. 5.—National troops marching from Killybegs to Donaghadee today were ambushed twice. The attacking forces were repulsed, losing one dead and three wounded. Three railway bridges in the Carrickfergus district were destroyed, stopping all railway traffic.

Irregular forces made a fierce attack on the barracks at Carrickfergus, County Monaghan, this morning. They maintained a heavy fire on the front and rear with machine guns, rifles, revolvers and bombs. The defenders, however, successfully withstood the attacks. The irregulars lost one man killed and three wounded.

Victoria Man Injured

PRINCE RUPERT, Sept. 5.—George Gilbert, a radio-electrician, of Victoria, was brought in to hospital today suffering from cuts and bruises sustained when he jumped from an auto. While motoring on Digby Island, where he was installing wireless equipment, he ran out of control on an incline.

HOPE TO REACH TRAPPED MINERS

Rescue Crew May Break Into Argonaut Mine by Tomorrow—Signals Received From Imprisoned Men

JACKSON, Cal., Sept. 5.—Some time Thursday the rescue crew will reach the Argonaut mine. It is generally believed that some of the men who were trapped in the mine by a fire and falling rock nine days ago are still alive, as a report yesterday that answering signals had been heard by a member of one of the rescuing crews was followed by others in the same tenor today.

The rescue crew working from the 3,600-foot level of the adjoining Kennedy mine toward the Argonaut mine has made considerable progress, and today reached one of the old tunnels connecting the two mines. This tunnel was open to the east of the main shaft, and although much mud and rock will have to be taken out to allow the passage of wheelbarrows, and compressed air and water pipes, which probably will be laid tonight.

After traversing 253 feet of this tunnel, the rescue crew will be ready to cut upwards seventy-five feet to the 4,200-foot level of the Argonaut. This work may be started as early as tomorrow, and progress is expected to be rapid, perhaps as fast as two feet an hour, since in such cutting the rock falls away from the feet of the men as fast as it is detached.

The other rescue crew, working from the 3,900-foot level of the Kennedy mine, who have something more than 100 feet of old tunnel to clear out first, will then progress to cutting through 141.7 feet of quartz and other rock. For this they expect to use diamond drills.

PLAN DOGFISH OIL INDUSTRY

Local Interests to Erect Plant on Queen Charlottes—Patented Process Rich in Possibilities

Manufacture of dogfish oil on a large scale, giving the Province an industry rich in possibilities, is planned by British Columbia interests for the very near future, Mr. A. T. Hankey, barrister, of Victoria, told the Parliamentary Fisheries Committee yesterday. The only factor delaying the launching of the project was doubt as to the attitude of the Federal Fisheries authorities, and it was to obtain assurance on the score that Mr. Hankey appeared before the committee.

"We have been patented and who nature Mr. Hankey did not hesitate to explain on that account, a higher grade of oil than has been obtainable in the past can now be secured, and as millions of these fish exist in the waters adjacent to this coast the industry is one that offers tremendous possibilities. The only method of catching them in sufficient numbers at reasonable expense, however, would be by traps, said Mr. Hankey. And traps are in such demand in these depleted waters that it had been considered advisable to ascertain the governmental attitude first.

"We have the money, we have the facilities, we have the process," he declared. "All we need are the traps."

He thought it probable that the traps could be located at points where they would have little effect upon salmon. Only dogfish would be taken. All they wanted was facilities for a sufficient supply of dogfish as far as consistent with the conservation of food supply fish.

The process had already been tried on a small scale at the Todd plant at Skeena, and had proved highly successful, he said. The base of big operations, however, would be on Skidegate Inlet, Queen Charlotte Islands. The industry would employ 300 men, and a start would be made right away with one plant. If the hoped for encouragement came from the fisheries authorities.

Virtual assurance of the support of the Department of Fisheries was given Mr. Hankey by Chairman William Duff. Mr. Duff thought there would be no difficulty at all about the traps, and personally he favored utilization of any means whatsoever, pick-axes, flying machines or submarines to place the industry on its feet.

UNEMPLOYMENT GROWING LESS

Reports Presented at Conference of Federal and Provincial Authorities Indicate Improvement in Situation

WORK NOW OBTAINABLE BY THOSE WHO WANT IT

Manitoba and Saskatchewan Representatives Report Shortage of Men—Minister Murdock's View of Prospects

OTTAWA, Sept. 5.—Optimistic reports on unemployment prospects from all provinces to the Dominion for the coming winter were presented at this afternoon's session of the conference between federal and provincial authorities on unemployment. With the exception of the Ontario speaker and the leader of the Nova Scotia delegates, all declared unemployment conditions in their provinces were normal or better than last year.

These two speakers warned that the conference must prepare for emergencies this winter before adjourning.

Manitoba's delegation sounded a direct warning to unemployed single physically fit men, that they would receive no relief during this winter. Those not physically fit, and the married men might need assistance, but fit single men would get none.

Hon. James Murdock, Minister of Labor, in dealing with the unemployment situation, declared himself a believer in the old adage: "He who helps those who help themselves."

Many Canadians did not exercise enough self-help. He believed there was not such a bleak prospect ahead as some persons declared. Unemployment, he thought, would not be as serious this winter as in the last two years.

Mr. Murdock objected to the system of doles. Both federal and provincial governments had been imposed upon in the past.

Referring to this matter, Mr. Murdock declared it was an absurdity to demand relief for unemployment to the extent that trade unionists and employment should be provided. The Dominion had paid out \$1,500,000 for unemployment relief last winter, and he did not believe the Federal Government should be asked further in the way of co-operation in the relief of unemployment than it had done in its order-in-council of last winter.

J. D. McNeill, British Columbia, declared the situation in British Columbia at present was just about normal, with jobs for every man. Some 4,000 men, however, had gone to the harvest fields, and would return in two months, when industrial work had begun to slacken. There was a possibility of considerable volume of unemployment, but not nearly as serious as last winter, when 10,000 men were idle in the cities.

Hon. Alex. Ross declared there need be no unemployment in Alberta at present. This winter's prospects were better than last.

Hon. J. G. Ordner, Saskatchewan, declared that at present his province needed more men than was available.

Mr. A. McNamara, Manitoba, said there was now a shortage of 4,000 men on the farms, and tradesmen could do all find employment. He believed the single fit man would have no difficulty in finding work even this winter.

MINISTER CHIDES LABOR RADICALS

Foists to Danger of Workers Losing in Short Time Advantages Gained Through Years of Struggle

BELLEVILLE, Ont., Sept. 5.—The Parliamentary Fisheries Committee today, Hon. James Murdock, Minister of Labor, condemned the radicals in the ranks of labor.

Labor, said the Minister, could sacrifice in a few months what it has taken years of struggle to attain, and he pleaded to labor men not to hazard everything by following a few enthusiastic men. He told labor men what he thought was a living wage. It was what enabled a man to rear his family decently and put away a little against emergency. A living wage was not a living wage, he said, until it conceded these things. He pointed out how in the Western coal strike, through a lack of getting together, men and mineowners had lost months of labor. The operators had served notice of a 40 per cent reduction and the men of a demand for a 25 per cent increase. It was found that neither expected to gain, but they followed a policy which they thought was right, but was misguided.

Canada, he claimed, was practically free from serious labor troubles, this being due to the common sense of most employers and their sense of justice.

Austrian Printers' Strike

VIENNA, Sept. 5.—The strike of the lithographers over the wage question, which was begun Saturday, extended today to the printers. Not only Vienna, but all Austria, therefore, went without newspapers.

ALLIES MAKE READY TO PROTECT PEOPLE FROM TURKISH ARMY

PROSPECTIVE BRIDE OF FORMER EMPEROR

LONDON, Sept. 5.—The former Kaiser's intended bride is the Princess Hermine of Reuss, a 34-year-old widow, according to a report quoted by The Daily Mail's Berlin correspondent.

The engagement, he adds, will not be announced until after the anniversary of the late ex-Kaiser's birthday, October 22.

Princess Hermine of Reuss is the widow of Prince Jean of Saxe-Coburg-Gotha, who died in April, 1920. She was born December 17, 1887, and is the mother of five children, the eldest of whom is 14. She owns a large estate at Saarlouis, Silesia.

TAX PLANS ARE GIVEN APPROVAL

Council Agrees to Portions of Report of Special Committee—Broadening of Basis Is Endorsed

The principle of a broadening of the basis of taxation in order to relieve land and improvements was adopted by the City Council last evening when the report of the special tax committee came before it. The recommendations contained in this report regarding the income and business taxes as sources of increased municipal revenue were endorsed. Consideration of the contents of the report came to a sudden conclusion when efforts to secure extension of time at eleven o'clock failed, and Mayor Marchant declared the meeting adjourned while Alderman Gillespie was on his feet.

The approval of a policy of broadening taxation was given without discussion, there being no dissenting voice.

The committee's report stated, in regard to the question of an income tax, that the Victoria delegates to the convention of the Union of B. C. Municipalities should endeavor to have that body endorse the proposal for the securing of municipal revenue from such a levy. It was suggested in the report that the tax could be imposed by the Provincial Government, which could simply increase its present income levy and make a distribution to the municipalities.

Alderman Patrick remarked that he was glad that Alderman Todd, head of the special committee, had been converted to the income tax proposal. The Alderman contended that several years ago, when he and Alderman Burgess had put forward a resolution favoring such a tax, Alderman Todd had left the session, leaving the Council without a quorum. If income tax had been utilized at that time to assist the city of Victoria, it would have been much better off at the present time, Alderman Patrick claimed.

Alderman Hayward thought that the city should secure the amusement tax and also more of the motor licence money.

In order to keep taxes on land and improvements down to the 1922 figure, it was essential, in the opinion of the special committee, said Alderman Todd, that the city of Victoria should have been much better off at the present time, Alderman Patrick claimed.

Alderman Hayward thought that the city should secure the amusement tax and also more of the motor licence money.

When the clause dealing with the question of an increased business tax came up for consideration, exception was taken by several aldermen to the suggestion that "in case of any business tax, the tax on principal owner of which is not a resident in Victoria."

Lady Mount Stephen (Visiting)

VANCOUVER, Sept. 5.—Lady Mount Stephen, widow of Lord Mount Stephen, first president of the Canadian Pacific Railway, will arrive in Vancouver Wednesday, accompanied by Colonel Frank H. McNeill, C.M.G., of Montreal, a nephew of Lord Mount Stephen, Mrs. McNeill, Mr. Robert W. Reford, steamship man, past president of the Montreal Board of Trade, and Mrs. Reford.

ASSURES SUCCESS OF STEEL PROJECT

Imperial Government Agrees to Guarantee Third of Bonds—Dominion and Province Expected to Join

VANCOUVER, Sept. 5.—Word was received today from those interested in the coast range steel project from F. C. Wade, agent-general of British Columbia, London, that the Imperial Government had agreed to guarantee the bonds to the amount of \$800,000, one-third of the total issue.

A conference of the directors was held here tonight, attended by Premier Oliver. It was stated that confirmation regarding the participation of the Federal Government in the project was expected soon.

Arrangements are being completed for a conference in London between representatives of the three governments and the company.

The success of the project is now assured, it was stated, as the Provincial Government has agreed to guarantee one-third of the bonds and the other two governments do likewise.

See Necessity of Landing Naval and Infantry Forces at Smyrna to Safeguard Nationals and Maintain Order—Several Powers, Including U. S., Sending Warships

CONSULS CONFERRING ON MEASURES TAKEN

Greeks Are Told They Must Hold Position Until Allied Troops Arrive—Opinion in Greece Blames Allies for Reverse—Turkish Cavalry Division Annihilated

CONSTANTINOPLE, Sept. 5.—The Allies appear agreed that it is necessary for them to land naval and infantry forces in Asiatic Turkey for the protection of their nationals and to maintain order. From the way the operations are being conducted there is no indication that the Turks will permit the Greeks time for a breathing spell. With the arrival of reinforcements from Greece, the Greeks are confident that they will be able to dispute the advance of the Turks.

PARIS, Sept. 5.—The French Government today received through the British Embassy a note from the British Government requesting consideration of the possibility of taking steps to bring about an armistice between the Greeks and Turks. The French replied in a note sent by the Foreign office this evening.

Although the terms of the notes exchanged were not disclosed, it is inferred from the promptness of the French reply that an agreement between the two governments will rapidly be reached.

Reverse for Turks

CONSTANTINOPLE, Sept. 5.—A Turkish cavalry division has met disaster near the Hilelik-Bruks front. Caught between two Greek forces, it was totally wiped out.

Greeks Blame Allies

ATHENS, Sept. 5.—National opinion is inclined to blame the Allies for Greece's misfortune. The nationals contended that the Greek army landed at Smyrna in 1919 to carry out the Allied mandate, and that Greece had made every sacrifice to that end, and would have continued in the same course if the Allies had not obstructed her task.

United States Action

WASHINGTON, Sept. 5.—The Government today ordered Admiral Bristol, American high commissioner at Constantinople, to dispatch a force of destroyers to Smyrna "to protect lives and property."

Protective Measures

SMYRNA, Sept. 5.—The foreign and Allied consuls held a conference on board the Iron Duke, the British flagship here, and formulated measures for protection of their various nationals and relieving the refugees in the event of the fall of Smyrna to the Turkish Nationalists.

The British high commissioner told the Greek military chiefs that the Greek army must by all means hold its position for ten days as to permit the dispatch of Allied troops.

Consul-General Horton announced he had telegraphed to Constantinople for American naval units.

ROME, Sept. 5.—Orders have been given for an Italian battleship to proceed to Smyrna to protect Italian subjects.

In representative Greek quarters here the complaint is voiced that the Greek reverses in Asia Minor are due to the assistance given the Angora Government by France and Italy.

BUCHAREST, Sept. 5.—Nine British warships belonging to the Malta squadron have arrived at Kustendje, about sixty miles southwest of the delta of the Danube, to protect shipping in the Black Sea.

FISHERY MAGNATE VISITS VANCOUVER

Mr. Thomas Robinson, of Grimsby, Comes to Look After His Interests in Northern Waters

VANCOUVER, Sept. 5.—From fishery on a Grimsby trawler to a fishery on a Grimsby trawler, Mr. Thomas Robinson, of Grimsby, who is in Vancouver today, has been the romantic career of Sir Thomas Robinson, K.B.E., J.P., of Grimsby, who is in Vancouver today.

When 14 years old Sir Thomas engaged as a hand on a fishing trawler. For fourteen years he worked at this job, learning the fish business thoroughly. Then he came ashore and set up as a fish merchant. His progress toward prosperity has been steady. On several occasions he has acted as adviser to the fisheries department of the British Government.

Sir Thomas is in British Columbia to look after some of his interests in Northern waters.

PROPOSE GOVERNMENT CONTROL OF RAILWAYS

NEW YORK, Sept. 5.—The executive committee of the Central Trades and Labor Council, representing 800,000 members, tonight adopted a resolution to be submitted to the council on Thursday, calling upon the Federal Government immediately to take over and operate the railroads and make terms with the striking shopmen.

A resolution also was adopted calling upon every trade unionist in the greater city to name himself one day's pay to aid the strikers.

FISHERIES BODY HOLDS SITTINGS

More Consideration Asked for Indians—Fishing Affairs on the West Coast Are Given Airing

Consideration for the "poor Indian" in whatever new regulations might be recommended as the result of the commission's visit to the Pacific Coast was urged by Chief Inspector W. E. Ditchburn, of the Department of Indian Affairs, upon the Parliamentary Fisheries Commission investigating the fisheries of the Province, at its sitting here yesterday.

Two sessions were held here, morning and afternoon, in the Council Chamber of the City Hall, some dozen or more witnesses appearing to give testimony. The commission finished its hearings about 6:30 o'clock last night, and will leave this afternoon for Vancouver for further sessions.

The personnel of the body is Mr. William Duff, M.P., for Londonburg, N.S., chairman; Mr. L. H. Martell, M.P., for Windsor, N.B.; Mr. W. G. McQuarrie, M.P., for New Westminster; Mr. C. H. Dickie, M.P., for Skeena; Mr. C. H. Dickie, M.P., for Skeena; and Mr. A. W. Hall, M.P., for Comox-Alberni.

The Indian had not always been as well treated as he might have been in the past, said Mr. Ditchburn, his contention bringing sharp disagreement from Mr. Martell, who did not see the necessity of such a statement. The same footing as ever, he said, in 1919, instanced Mr. Ditchburn, the Department of Naval Service had closed the Fraser River above Mission City to fishing altogether. It was absolutely closed, the result being that approximately 8,000 Indians were unable to get fish for food. This regulation remained in effect until this year, when conditions were relaxed.

Major Motherwell, Federal Inspector of Fisheries for the Province, explained by this situation arose owing to the unusual conditions pertaining at the time, but that the regulations Continued on Page 12

PREMIER REPORTS ON TOUR OF P.G.E.

Finds Roadbed in Excellent Condition—Is Investigating Question of Gasoline-Propelled Cars

VANCOUVER, B.C., Sept. 5.—"The right of way of the Pacific Great Eastern Railway is in excellent condition," stated Premier John Oliver on his return tonight from an inspection trip over all sections of the railway.

"We are collecting our data on the use of gasoline-propelled cars on the Squamish branch of the line," said the Premier, "but as yet have made no decision with regard to the use of them."

When asked whether he considered it advisable to abandon the road, as recommended in the Sullivan report, the Premier replied that he had not made a decision on the matter yet. "It has not yet been decided when a further meeting of the directors will be held to discuss the Sullivan report further or to make a definite decision on the policy which the Government should adopt with regard to the railway," said Manager A. B. Buckworth.

MONTREAL SHARKS SECURE TWO VICTIMS

MONTREAL, Sept. 5.—Confidence men have been very active over the week-end. Fred Dubault, of St. Paul, Minn., and A. Knox, of Saskatoon, were among their victims.

Mr. Dubault was relieved of \$650. He met two strangers yesterday afternoon who informed him that they were two of the official entertainers of the City of Montreal. He, being a stranger, they invited him to take a ride in a motor car with them.

On a street unknown to Dubault,

his two new-found friends got out of the car and began an argument. They finally drew Dubault into it. He got out of the car. Immediately, he told the police, the two men attacked him and stole from him \$650 which he carried in his pocketbook. When he came to the police he bore marks of the encounter.

Mr. Knox, of Saskatoon, had a similar experience, losing \$450, the "entertainers" grabbing his wallet as he was making change.

From 1909 to 1918 the number of automobiles in use in the United States increased 1,700 per cent.

LABOR LEADER IS BELLIGERENT

President Walker, of Trades Union Congress, Attacks Capitalists—Affairs of Daily Herald Are Taken Up

SOUTHPORT, Eng., Sept. 5.—R. B. Walker, president of the Trades Union Congress, in convention here, delivered his address to delegates in militant anti-capitalist style. At one point in his remarks he declared: "The simple fact that employers, having the workers temporarily at their mercy, are determined to squeeze them hard. Indeed, so far have they gone in this direction that some of their friends have seen fit to warn them of the consequences of their action, when in the fluctuating tussle between capital and labor, the workers get the upper hand."

The president proceeded to speak of the indifference of those who would benefit by progress. Probably it was by way of retort to Right Hon. J. H. Thomas, general secretary of the National Union of Public Employees, who, in a recent speech, condemned those who were forever crying "watch your leaders," that the president of the congress declared: "We all know a comrade who has nothing worse to say of cabinet ministers than that they are gentlemen who unfortunately take the opposite view to ours, while the fluctuating tussle speaks of those who are in the right or left wing of his own party as fools, traitors, betrayers, and such."

Mr. Walker described such talk as quackery. The congress will hold a private session tomorrow to consider the future of the Daily Herald, the labor organ particularly in regard to the proposed levy on trades unions for its maintenance.

In connection with the Herald's difficulties, the National Union of Journalists recently took a poll to decide whether a small levy should be made to assist the newspaper. The suggestion was defeated, but only about one-third of the membership troubling to vote.

CHIROPRACTORS ARE FOUND GUILTY

Vancouver Magistrate Decides in Ten Cases That Chiropractors Are Guilty of Practising Medicine Without License

VANCOUVER, Sept. 5.—A. F. Lovings and ten other chiropractors were this morning found guilty of infractions of the Medical Act by Magistrate Shaw. They will be sentenced on Friday. They include Dr. W. Sturdy, Dr. K. L. Fehr, Dr. W. L. Burrill, Dr. Elmo Marshall (who spent a month in jail rather than pay his fine), Dr. J. L. Rice, Dr. D. Jamieson, Dr. M. N. Howard, Dr. H. Leach, Dr. Susan Shaw and Dr. Coates.

"I have considered the case as fully as possible," His Worship announced when the case was called. "And I find I have no alternative but to find these men guilty. I've got to read the Medical Act as a whole, and it says that no person whatever shall practice medicine without a license, and provisions were made for registering."

He explained that some of the accused had been sentenced before and some of them had been found guilty twice. He would therefore suspend sentence until Friday, when sentence would be imposed.

City Prosecutor McKay offered to submit evidence in the way of a statement of past sentences, but His Worship reiterated that sentence would be postponed till Friday. The evidence has been given during sessions continuing since August 22.

VANCOUVER DEATHS CALL FOR INQUESTS

Aged Druggist Is Fatally Injured by Motor Car—Other Cases Are Supposed Suspects

VANCOUVER, Sept. 5.—Three deaths, each of which will necessitate the holding of an inquest, were reported to the police during the week-end, two, it is believed, being cases of suicide, while a manslaughter charge is pending as the outcome of the third fatality.

Early on Sunday morning Edward Shoff, aged 61, druggist, of 800 Main Street, was knocked down and fatally injured at Union and Main Streets, as he was about to cross the latter thoroughfare. J. W. Waltert, driver for a taxi cab company, who was driving the automobile which struck the unfortunate man, surrendered himself into custody after the accident, a manslaughter charge being laid against him.

Coroner Jeffs also inquired today into the circumstances surrounding the death of Gustavus Biele Hamilton, late of the 72nd Battalion, whose body was found near Third Beach on Saturday evening. The body had apparently been in the water for some time. Papers in the pocket led to the identity of the man.

A third tragedy was discovered on Monday morning, when the dead body of a middle-aged man named W. E. Smith was found in a room at 725 Hamilton Street with a gas in the throat. The police found a razor hidden beneath a portion of the bedclothes, with which it is believed the wound was made.

ONTARIO GOLD MINES MAKE RECORD YIELD

TIMMINS, Ont., Sept. 5.—According to the preliminary estimates the gold production during August from the mines of Northern Ontario reached the highest record in history, when the yield was approximately \$1,840,000 for the thirty-one days. Eight mines contributed to the output, three being the Percepsine and five in Kirkland Lake.

The details show that for the first time in the history of gold mining in Ontario, the total production of gold exceeded a rate of \$21,000,000 a year.

Citrus-wood tables, slightly priced among the Romans, cost \$50,000 apiece.

MONTREAL TOURISTS VISIT TWIN CITIES

PORT ARTHUR, Ont., Sept. 5.—One hundred and fifteen Montreals, accompanied by twelve prominent members of the British Parliament, who are making a tour of Canada in celebration of the centenary of the Montreal Board of Trade, arrived here Monday on the Canadian Pacific steamer Assiniboia. Following a reception, the party left for Port William, and will continue westward, spending Tuesday at Kenora and Wednesday at Winnipeg. They will go to the Pacific Coast.

On arrival here, the party was taken for an automobile tour of the city and later on boat trip around the harbor, where the visitors inspected the industrial plants. At a luncheon tendered by the Port Arthur Board of Trade, addresses were given by Mayor Matthews, T. N. Andrew, president of the Board of Trade; F. H. Keefer, former under-secretary of state; W. M. Birks, president of the Montreal Board of Trade; Right Hon. Earl of Stafford; W. George Perring, M.P. for Paddington, Eng., and others.

MAKE PROGRESS WITH HARVEST

Weather in General Is Favorable to Gleaning of Crops—Yield Reported Good and Quality High

WINNIPEG, Sept. 5.—Heavy rains of September 1, which covered Manitoba and Saskatchewan, together with local showers in Alberta, tied up harvesting operations temporarily, according to the weekly crop report of the Canadian Pacific Railway. Apart from this temporary suspension of harvesting, weather conditions have been of the best. About the amount of rain is in evidence, but it came too late to do any appreciable damage. Livestock is looking well, with pastures in fair condition and improving with recent rains.

In Manitoba cutting in the south is completed, and in the north 80 to 90 per cent is complete. Threshing will be general this week. Cutting in Saskatchewan is 90 per cent complete and threshing general. Crops are turning out well and quality high. Up to date the returns from the machines are good, well over 90 per cent grading No. 1 Northern, with dockage heavy in some districts on account of wild oats.

Harvesting has proceeded favorably in Alberta, 70 to 75 per cent being now cut. Late grains are coming on well and ripening better with the warm weather. It is estimated that 35 to 40 per cent of the oat crop will be cut for green feed, farmers figuring it will pay them better to sell as feed than to let it mature. The rye crop is all threshed and proving a generally satisfactory yield. An extensive field of rye in the central district comprised 11½ bushels per acre and weighed a pound heavier per bushel than standard requirements.

Edmonton, Dunvegan and British Columbia Railway cutting will be completed and threshing general in a few days. Weather, apart from showers at times, has been excellent for harvesting.

Fruit and vegetables are now moving freely out of British Columbia. Light showers over many districts will improve the size and quality of late apples.

In general the labor supply is satisfactory, although reported short in certain districts of Manitoba and Saskatchewan.

University Women's Meeting

MONTREAL, Sept. 5.—The next triennial conference of the Canadian University Women, which will be held in a western city, to be decided upon later, it was agreed at a meeting of the organization which concluded its deliberations in the Royal Victoria Hotel on Saturday afternoon. August, 1923, will probably be the month in which representatives of women's colleges from the various provinces will meet to consider their problems.

Lieut. Fullerton Returns

VANCOUVER, Sept. 5.—Lieut. E. C. Fullerton, Edmonton, formerly of the Canadian air staff here, who, in company with a Norwegian aviator, was on pilot Captain Amundsen's monoplane in the transarctic flight from Alaska to Spitzbergen, has arrived back in Vancouver from Alaska. Lieut. Fullerton states that Captain Amundsen had decided to make the flight with only one pilot, and will make the attempt with Lieut. Omdahl.

FARMER'S WIFE REGAINS HEALTH

Gives Credit to Lydia E. Pinkham's Vegetable Compound

Fork River, Manitoba.—"I saw in the newspapers where Lydia E. Pinkham's Vegetable Compound was being sold so much good to women, and as I needed something I began to take it. I used to be very sick but I am now well. I live on a farm in the home district and I am a mother of four children. I am now well and I am able to do all my own work. I tell all the women I see what Lydia E. Pinkham's Vegetable Compound has done for me. I think it saves me from going to a doctor and is the best medicine women can take."

Mrs. Wm. Cochrane, Fork River, Manitoba.

Lydia E. Pinkham's Vegetable Compound is a medicine for the ailments peculiar to women. It is prepared from medicinal plants, with care and accuracy. It can be taken by women of any age.

Women make a serious mistake in allowing themselves to become so weak and nervous that it is well-nigh impossible for them to attend to their necessary household duties. Such symptoms as pains and irregularities, all gone feelings, backache, headache, nervousness, with a general run-down condition, indicate some form of female trouble.

The Vegetable Compound has brought relief to thousands of women suffering from such ailments. Let it help you.

GREECE'S ARMY IS DEMORALIZED

Soldiers Refuse to Make Stand Against Turks—Evacuation of Asia Minor Now Seems Inevitable

LONDON, Sept. 5.—General opinion in well-informed quarters in London today was that the disaster to the Greek army in Asia Minor was complete. There seemed little prospect that anything could save it from destruction. Instructions have been sent to the commissioners of the Allied powers in Constantinople to discuss the necessity for bringing about a suspension of hostilities.

ATHENS, Sept. 5.—Reports from various sources are to the effect that the military situation in Asia Minor, where the Greek and Turkish Nationalist armies are at grips, is considerably improved. The position, nevertheless, is obscure. The Greek Government has commandeered the mercenary fleet.

SMYRNA, Sept. 5.—The Greek troops, according to advices from the front, are refusing to make any stand against the advancing Turkish Nationalists and it is expected that unless the British and the French take energetic action serious events may occur in Smyrna. British subjects are to be embarked on the British steamers in Smyrna harbor, where they will await events. The French cruiser Ernest Renan has arrived at the port.

ATHENS, Sept. 5.—A Greek communiqué reports that the Greek army in Asia Minor was repulsed and routed by the Turkish Nationalist east of Brusa.

LONDON, Sept. 5.—News of the successive reverses suffered by the Greeks at the hands of the Turkish Nationalists in Asia Minor is believed here to forecast early evacuation of the entire area by the Greek army. Indeed, the evacuation has already begun, according to The Daily Mail, which quotes Greek official circles in London as declaring the army will be out of the country within three weeks.

The newspaper attributes to its Greek official informant the statement that the army is worn out by fighting. "Many of the soldiers have been on one battlefield or another for the last twelve years," he said, "and they are thoroughly disheartened by the conviction that there is nothing tangible to fight for."

The Daily Telegraph's diplomatic correspondent says the Greek Government notified Great Britain on Saturday of its intention to evacuate Asia Minor, including the Smyrna enclave, and asked the assistance of the Allies in arranging an armistice. It announced its ability no longer to guarantee the safety of the Christian communities throughout the country or the Allied nationals in Smyrna and subsequently put forward the idea that evacuation of all the Christian civilians as well as the Greek troops would be necessary.

The safety of these thousands of Christians now seems to be the chief concern of the Allies, whose warships alone, it is said, stand between them and possible annihilation.

SIR PERTAB SINGH CALLED BY DEATH

Noted East Indian Ruler, Head of Jodhpur State and Ex-Ruler of British India, Dies

SIMLA, British India, Sept. 5.—General Sir Pertab Singh, regent of Jodhpur State, died suddenly yesterday of heart disease.

Lieut.-Gen. Sir Pertab Singh was one of the most notable of native Indian rulers and a firm friend of British India. He was an honored A. D. C. to the King-Emperor, and held several decorations for his public services to the Government. He was appointed regent of Jodhpur by his brother, the Maharaja, and made administrative head. In that capacity he introduced many important reforms. Crime and delinquency, theft, wife suppression, railways were introduced and irrigation works constructed. He was one of the Kabul mission of 1878, an extra A. D. C. to General Dyer, and was in command of the Jodhpur Imperial service troops and saw active service; was made ruling chief of Jodhpur State in 1902, which he administered in favor of his son.

He was made Lieut.-Colonel and subsequently Major-General and Lieut.-General in the British army during the European war (dispatches).

SEES IMPROVEMENT IN TRADE OF BRITAIN

LONDON, Sept. 4.—"Politically, Europe is in a nightmare, but commercially, it is approaching convalescence." This opinion was expressed today by Sir M. Edgar, who predicts a steady revival of British trade. He forecast an exceptionally busy time in the Lancashire cotton industry, which, even now is sending abroad as much cotton yarn as before the war.

Sir Mackay said that Europe was beginning to place orders once more, while outside of Europe, the Indian and Chinese markets, in which Lancashire is particularly interested, are better and the outlook decidedly better. He looked to the northern county to lead in the coming trade revival, which would extend to the iron, steel, shipbuilding, coal, wood and other industries. British trade was now quietly, persistently and definitely on the upgrade. There would not be a boom, or anything sensational, but a steady even advance all down the industrial line, which neither blunders, politicians nor chaos of exchange will be able to prevent, he said.

Since the armistice, without the country being aware of it, Lancashire has been the scene of steady progress in the reconstruction and consolidation of the country's greatest industry, which will soon be as well equipped for external competition as it is for internal efficiency, Sir Mackay Edgar concluded.

School Suits

With two pairs of knickers, at popular prices.

\$13.50, \$14.00 and \$15.00

Exceptional Values in Good Wearing Tweeds

These suits have just arrived in time for School Opening. They come in colors of brown and grey, of good weight materials and well finished.

Each suit has two pairs of bloomer pants and it will be true economy for any mother who sees these before making her purchases.

Sizes 10 to 18 years. Prices \$13.50, \$14.00, \$15.00.

TWO LADIES DROWNED NEAR REVELSTOKE, B.C.

REVELSTOKE, B.C., Sept. 5.—Mrs. Thomas Steed, of Revelstoke, and Miss Anita Lister, matron of the local hospital, were drowned Saturday when an automobile in which they were riding went over an embankment into forty feet of water.

The accident occurred at Summit Lake, nine miles from here, when the automobile left the road while passing another car. There were four other people in the car, but these escaped while the car was slipping down the embankment.

The body of Mrs. Thomas Steed, who, with Miss Anna Lister, formerly of Nanaimo, was drowned in Summit Lake on Saturday, was recovered by a diver today at a depth of fifty feet, in the automobile in which the

two women went over an embankment. The search for Miss Lister's body is hampered by a dirt slide under water. The diver will continue his work tomorrow.

Death of Dr. Covert at Halifax
HALIFAX, Sept. 5.—Hon. A. M. Covert, M.D., 82, of Canim, member of the Legislative Council of Nova Scotia, died at a local hospital yesterday. Dr. Covert is survived by a widow and four children.

BUSY TIMES AHEAD

The earth has yielded of her fruits in great abundance this year to the farmers of Canada. The people of the Prairie Provinces, the granary of the Dominion, are reaping the most abundant harvest in their history, and the crops are heavy from one end of the country to the other, with the exception of a few isolated sections in the West and in the Far East. Great importance is attached to the quality of the Prairie harvest by the business interests of Canada. It is generally understood that good crops there promote general prosperity. Hence the significance of the fact announced in one of the newspapers of the Northwest that for some time a train load of forty cars loaded with wheat has been moving eastward every half hour. That movement will be accelerated when the crops are all garnered and the forces which have been engaged in other occupations are concentrated upon marketing.

In consequence of these things the fact may be assumed that the business times have taken a turn for the better in Canada. They never have been had compared with the conditions in other countries and considering the inevitable reaction that follows in the path of any war, and was sure to follow in the path of such a war as that in which Canada was lately engaged. That war was tremendously costly in life and treasure. It seriously affected our credit and in every conceivable way attacked and dislocated business. Credit has been completely restored. The dollar is worth its face value anywhere. Men are becoming more settled and are devoting themselves diligently to the peaceful pursuits of industry. There are substantial reasons, therefore, for a return of feelings of optimism throughout the business avenues of Canada. Good times are upon us, and, owing to the peculiar circumstances of the rest of the world, the indications are that within the next few years there will be a great influx of immigrants. There is reason to believe that the era of prosperity will be enduring.

SOCIETY'S FOUNDATIONS

Much though some of us may deplore the fact, many of the customs and traditions of the past, customs and traditions and habits upon which the foundations of society appeared to us to rest, are passing away. People of the world are uneasy, restless and dissatisfied. They are groping after some indefinable condition, striving to attain the unattainable—at least thus it appears to some who possibly are becoming old-fashioned in their views regarding the manner in which the affairs of the world should be conducted.

Canadians, we are thankful to observe, are not so much inclined to methods that are nothing short of revolutionary as their neighbors on this continent or even their brethren on the British Isles. There are classes in Great Britain who have gone much farther in their demands upon society than appear to be justifiable to Canadians of sound and mature judgment. There the balance of reason only was restored by bitter adversity. In the United States industries still are in a condition of turmoil, brought about by the announced determination of certain elements in the country to maintain the scale of wages that was necessary during the war and which employers declare was artificial and therefore temporary.

Nations are very jealous about the well-being of their citizens or subjects who may be sojourning or doing business in other lands. They boast sometimes about the protecting folds of the flag. Ought they not to be equally careful to preserve the lives and liberties of their people at home? They must be if the state is to endure.

PASSING OF THE SABBATH

We can appreciate the comments of Rev. Dr. Clay of St. Andrew's Presbyterian Church on two articles which lately appeared in The Colonist on the passing of the Sabbath Day. A majority of people who are approaching the meridian of life, particularly those who passed their earlier years in the Old Land or in some sections of the East, also will sympathize with the reverend gentleman in his sorrow over changes that are occurring in the spirit of the times, and more especially in the public attitude towards the day commonly called Sunday. The writer of one of the articles in question seemed to treat the subject with great respect, if not actually with reverence, for the views of those who, perhaps, may be thought in these times of restless or even revolutionary tendencies to be hopelessly old-fashioned. He dwelt upon the peacefulness of the Sabbath Day in coun-

try districts of Great Britain in times that are not so very olden, of the calm that prevailed, appearing to descend not only upon humanity but upon even the beasts of the field, and of the solemn feeling of satisfaction that followed observance of the ordinances of the sanctuary. The writer did, indeed, hint, as Dr. Clay seems to have observed with slight displeasure, that there were some even in the most reverend of communities who attended divine service with reluctance and who were greatly relieved when their "duties" had been discharged. We thought the article well written and that it described conditions which at one time were common in the Old Country.

It is to be regretted that many of the old-fashioned institutions, institutions which appealed to many as the bulwarks of the liberties of the people and the sources of the strength of the nation, are passing away; but it would be a hopeless task to attempt to arrest the tendencies of the times. The noted change in the public attitude towards the Sabbath Day is not a sudden revelation of a lamentable fact. It has been proceeding all through the natural and ministerial life of Dr. Clay. It is more noticeable than it was a few years ago because ecclesiastical dignitaries have been forced to recognize it and conform their rules and orders in accordance with it.

We may long for the "tender grace of a day that is dead," but those days never will return to us; and we must also remember that the Sabbath never was a hallowed day in great cities as it was in many rural communities.

INTERESTING EXPERIMENT

The Legislatures of all the Prairie Provinces, two Progressive and one Liberal in complexion, are in favor of the establishment of a grain board, which would handle all the cereals grown and return to the grower the net proceeds from the sale of his crop. The Federal Government acceded to the demands of the grain-growers and granted whatever powers were required for the constitution of the board. But organizing of the institution has not been completed, as no person of capacity can be found willing to accept the responsibilities of its chairman. So the farmer of the Northwest, for this season at least, must rest satisfied with whatever profits he can gather by marketing of his grain through ordinary business channels.

We may be mistaken, but it appears certain that the creation of a grain board must dig a great political gulf between the Provinces of the Northwest and all other sections of Canada. British Columbia, for example, is not interested in grain. She produces fruit and fish and many other things in abundance. Ontario is a grain producer, but she grows much besides cereals. So do all the provinces of the East. If the grain-growers are to be granted the privilege of community handling of their products, with the guarantee of the state behind them, why should not the fruit-growers and fish-producers of the East, who deal in everything that can be raised from the soil, be treated in a similar manner? Furthermore, there are others in the community, even in the community which specializes in grain, besides the farmers. They also may have their ideas on the subject of communism, even on communism in a modified form.

We sincerely hope that the grain-growers of the Prairies may realize handsomely on their products during the current season. If a grain board is going to assist them, we certainly have no objection to it. At the same time, if once time be taken in the direction of "communism," it will be only the first step.

AUGUST BUSY FOR VICTORIAN ORDER

Nineteen Maternity Cases Attended During Month—Free Nursing Visits Totalled 537

August was a particularly busy month for the Victorian Order of Nurses, according to reports read at the regular monthly meeting of the organization yesterday at 1445 Rockland Avenue. Mrs. Rose Buchanan, president, and Colonel Lorne Ross addressed the meeting on the subject of the "Community Chest."

The nursing report for the month showed that the services of an extra nurse had been required owing to the large number of maternity cases which arose during August. Other features of the work had also made the nurses busy. The total number of cases dealt with was 176, necessitating 177 visits. The number of infant welfare cases was 84, pre-natal visits numbered 43, social service visits 70, Metropolitan Insurance visits 305, and free-nursing visits 537. The four baby clinics which the nurses had attended had meant the examination of 85 babies.

The following is a list of donations received during the month, for which the committee expressed their warm thanks: Vegetables from Mrs. Brandon, Mrs. Chapman, Mrs. Hartley, Mrs. Strangman, Mrs. Wilson, Mrs. Green, fruit and vegetables, Dr. Price, Dr. Jones, Dr. Inglis; fruit and clothing, Mrs. G. Wilson, Mrs. Renne, Mrs. Farr, Mrs. Newell, Mrs. Deagney; marmalade, Mrs. Barker; home-made bread, A. Friend; jelly, A. Friend; a rubber ring, Miss Jones.

Tariff Bill Gets Precedence—WASHINGTON, Sept. 5.—By a vote of 5 to 3 Senate and House committees refused today to sidetrack the administration tariff bill for the soldiers' bonus measure.

P.G.E. ECONOMIES MAY BE EFFECTED

MOOTED CHANGES IN ADMINISTRATION LIKELY

Premier Oliver's Trip Over Government Owned Line May Result in Some Reductions

Following his return from his trip over the P. G. E. Railway as far north as Quenell, it is likely that Premier Oliver, who is due to reach Victoria this morning, will take steps to deal with the question of the reorganization of the operating system now in vogue on the Government-owned railway.

For some time past the need of cutting the present overhead cost of operation has been under consideration. Economies have been suggested which would reduce the present cost of some \$75,000 a year to about \$40,000, but to effect this reduction would mean some drastic changes, including the closing up of the Vancouver office, elimination of some existing officials, and generally reducing the present system patterned on that of a transcontinental railway to that of a branch line affair. Rumors of late have had it that some of these changes will result in the elimination of the existing general manager, Mr. E. B. Burroughs, a superintendent or two, and other officials whose duties at present consist in supervising a system over which two trains per week are all that are at present being operated.

The publication of the Sullivan report on the P. G. E. Railway and his general pessimistic tenor concerning the future of the Government system has created widespread interest throughout the Province and will undoubtedly prove the chief item of interest at the next session of the Legislature, when that body must deal with Mr. Sullivan's findings and make a decision as to what shall be its future action in respect of the line.

Vancouver interests are keenly interested in the future of the road, and the publication of the Sullivan report has stirred them. Mr. Leon J. Ladner, M. P., has come forth with the suggestion that there should be selected a committee of business men representing public organizations named to make a thorough investigation of the affairs of the railway, without remunerations, and that their recommendations regarding the policy to be adopted should, after consideration by Parliament, be carried out as far as practicable.

Premier Oliver was accompanied on his trip over the P. G. E. by Hon. W. T. Stannard, Minister of Public Works, who went on north from Quenell to Prince George.

SEATTLE BUREAU IS HIGHLY RECOMMENDED

New York Man Tells of His Appreciation of Service Rendered by Victoria's Representative

Appreciation of the service being rendered by the Seattle representative of the Victoria and Island Public Bureau is expressed in the following letter received by that organization from Mr. John D. Albion, of New York, who met Mr. Wiltshire at the Seattle auto camp.

"I take this means of expressing my appreciation of the service being rendered tourists by your publicity bureau in connection with the Anacortes-Sidney ferry route.

"Coming from New York City, and practically a stranger in Seattle, I was pleasantly surprised to find one of your representatives on hand at the auto camp, who furnished me with particulars regarding touring facilities and other data of interest to those desirous of visiting British Columbia.

"In conversation with Mr. Wiltshire, who, I understand, is in charge of your bureau in Seattle, it was brought out that a complaint had been brought by Vancouver interests against the alleged procedure of neglecting to inform tourists of all the advantages to be gained by their coming to the Victoria and Island Public Bureau.

"In justice to me to inform you that as far as I am concerned, no word of discouragement was used by him when broaching the Vancouver subject. At all times my party and myself were given accurate information in a willing and courteous manner from your representative, which is one of the reasons for this letter."

Tribute to the late Mr. Joshua Kingham was paid by the members of the club, and a resolution of condolence and sympathy, to be sent to the family and the Rotary Club, was passed.

An added feature at the luncheon was a three-piece orchestra under the direction of Kiwanian Cecil Johnston.

The attendance prize for the day was won by Kiwanian Joseph Clearhue.

Members were urged to enter a competition for the best essay on the subject of what Kiwanis means.

LIQUOR AMALGAMATION

Vancouver Warehouse Complete Arrangements for Large Merger That Will Effect Savings

Arrangements for the amalgamation of liquor export concerns of Vancouver into one company, were consummated at Vancouver on Saturday, advised from that city indicate. It is stated that only one out of eighteen of the export firms is standing out of the amalgamation. The papers have been signed, it is stated, and steps are being taken to secure reliable premises to house the stock of the merged concerns.

As the various stocks are brought together the bonds and licenses held by the individual warehouse will be allowed to lapse. Those who are behind the amalgamation point out that one of the first savings to be effected will be the \$3,000 licence fee formerly paid out by each concern doing business in the Province, a saving of \$50,000 a year.

Sweden's Prohibition Vote—STOCKHOLM, Sept. 5.—Complete results of the recent prohibition plebiscite show that 338,455 ballots were polled against prohibition and 301,059 in favor of the proposal. More than 40 per cent of the electorate voted in the question of prohibition in Sweden is now regarded as dead for a generation.

the "reaction" for acquired syphilis and tuberculosis.

In the Propaganda, a department of this issue of The Journal, an article appears dealing with an individual, one Yergin, who propounds a theory and a practice that they dis to rank well with the "electronic reactions of Abrams." Yergin arranges the chemical elements according to their atomic weights, and then adapts this arrangement to the keyboard of a piano. Of course there is a chart (copyright) which elaborates this matter in detail. Yergin declares that, when such an arrangement has been made on a piano "perfectly tuned," striking the keys "representing two or more elements" as they are known to be combined in the chemical field will produce the same effect on human beings as "would have been produced had the same compound been given in material chemical form." We commend Yergin's theories to the attention of Mr. Upton Sinclair. They should furnish material for at least one good imagination. The subject may even seem worthy of study by Sir James Barr. In any event it is all very interesting hot weather reading—when one does not want to think.

CHINESE STUDENTS ARE SEGREGATED

Separation Made at Opening of School Yesterday—Students Resume Studies After Vacation

After a little over eight weeks of freedom, the Chinese students did not actually plunge right into school duties yesterday, at least broke the ice of another term in preparation for regular studies again. The usual preparations on resuming classes occupied the biggest part of the day at most of the schools, but in a few instances studies were started.

Opening exercises were held at some of the schools which had no closing ceremony, but at other schools the opening exercises will be held after the students have settled down to school life and are regularly placed in positions for school to continue along ordinary lines.

At some of the schools of the city and outside municipalities the presentation of entrance certificates and school trophies won in sports and for cadet work was made and addresses suitable for the occasion were delivered.

The segregation of Chinese students from the other pupils in the city schools was carried out according to plans. There are about 200 Chinese students attending the Victoria schools and this is the first time that a complete segregation of the Oriental pupils from the others in attendance at the schools has been made, although segregation to a limited extent was in force in some schools.

Complete figures for all the schools have not been handed in, but a normal enrollment is reported.

PHRENOLOGY IS LECTURE SUBJECT

Mr. W. H. Pennock Addresses Kiwanis Club—Members Pay Tribute to Late Mr. Kingham.

A talk on the subject of phrenology was given at the Kiwanis luncheon yesterday by Mr. W. H. Pennock, who stressed the importance of developing the temperament in a child at an early age.

"Parents," said Mr. Pennock, "should study their children's temperament, and should apply strong suggestive power wherever it is shown that such a course is necessary."

"They should always be taught to see the pleasant things of life and to make their work a play as much as possible."

"The time is coming when the temperamental nature of the child and proper systems of suggestive correction will be taken up as part of the course of training in education."

"Temperaments change according to environment. If a man finds that he is lacking in any particular essential temperament he should apply his mind strictly to the correcting of the fault."

"When a person goes to sleep at night in a forced time to take proper mental impression and get the best results from the exercise of the power of mind. So far as this truth has been demonstrated, it is possible for a man to go to sleep at night and say what time he shall wake up without the aid of any alarm clock," said Mr. Pennock.

Tribute to the late Mr. Joshua Kingham was paid by the members of the club, and a resolution of condolence and sympathy, to be sent to the family and the Rotary Club, was passed.

An added feature at the luncheon was a three-piece orchestra under the direction of Kiwanian Cecil Johnston.

The attendance prize for the day was won by Kiwanian Joseph Clearhue.

Members were urged to enter a competition for the best essay on the subject of what Kiwanis means.

Government Street COMPLETE HOME FURNISHERS Opposite Postoffice

One Glorious Year

—By MAY CHRISTIE

The Secret of Contentment
Often it has been said that New York is the loneliest place in the world!

I had never fully understood the meaning of the phrase until that day.

Never before had I felt so utterly alone!

The band was playing a sentimental air not very far away. That sentimental little heart hurt me. Love was faded with for me. I hated the haunting melody. Indeed, I felt I hated everything.

What was the good of living, when love and friendship and one's trust in human nature absolutely failed?

A cheery little sparrow hopped along the path, and then stopped in front of me, with perky head on one side. He looked so pert and so inquisitive that at any other time I should have laughed.

The voices of happy children playing on the grass only contrived to make my hurt more painful.

And then an old, old man came by. He tapped his way along the gravelled path with the help of a stick, and as he drew near I saw that he was blind. Slung round his neck on a leather chain was a sort of musical box. His clothes were very old and shabby, but clean and carefully patched.

He paused beside me, groping for the seat, and then sat down. As he did so, he gave a little groan of pain as though his joints were full of rheumatism. Gift they certainly were.

I moved along a little, to make room for him.

"I'm sorry if I disturbed you," he remarked in a pleasant voice.

"Oh, not at all," I answered formally, wondering how he had found his way so quickly and so surely to this nook.

"I often come here in the fine weather," he smiled into space. "I'm very fond of music, and the band plays about this time. So I knock off work for a bit, and take a rest."

Knock off work? For a moment I wondered what he meant. And then my glance fell on the instrument he carried.

Poor old man! He looked very frail and tired, and yet there was an indomitable spirit about him. Also, he didn't seem to feel himself in the least degree.

"I love to feel the sunshine in my face," he observed briskly. "It's pretty good to be alive, isn't it?" That startled me. How queer it sounded. What possible good could a blind man and almost crippled pauper find in living? And he seemed so old and friendless, too.

I didn't answer.

He went on, communicatively: "Yes, I come here often. Even though I can't see, I can listen to the band, and feel the singing of the

birds in the trees, and I can smell the perfume of the flowers, and feel the warmth of the sun and of the earth. All these things are pretty good."

I was silent and astonished. Shy, too, in the face of such heroism.

"So I can't complain, can I? Out of his pocket he drew some crusts of bread, and—crumbling one—he flung it on the path.

Instantly there was the whirring of wings, and the cheery little sparrow hove in sight, and began furiously to devour the food.

"Ah ha! My little friend returns!" chuckled my old companion, genially. "He was expecting me."

Other little birds joined the first comer, till every scrap of bread was eaten.

And all the time the old man chatted genially to me.

"You seem very happy," I remarked at last, impelled by a sort of curious wonder to fathom the secret of his good spirit.

"Well, why shouldn't I be? Isn't being alive and fairly well, quite enough for happiness? Just to be allowed to live from day to day, and enjoy all lovely things like this—"

With a sweep of the arm he indicated the neighborhood of the trees and flowers and birds and sun—"that's quite enough for me."

"You are very—unusual," I remarked at last, hesitatingly.

He turned his sightless eyes on me. There was nothing repellent in his blindness and the kind expression of the old, wrinkled face was beautiful.

"You sound as though you were not happy, child." And then he added, hastily: "Pardon my addressing you as 'child,' but you seem so very young to me. Your voice. I ought to say, I go by voices. They tell me more than even looks could do."

"Yes, it is true. I am not happy," I said with a half sob. "I think the world is a terribly lonely place, and the people in it hateful!" I was astonished at my own vehemence.

The old man smiled tolerantly.

"When one is young, one wants a much. And one suffers from boredom seem unendurable. It is only when one is old that one sees things in their true proportion. I think the happiest time arrives when one is old, and demands little from life, and is just content to be alive, and enjoy the sunshine and the air."

"You are a philosopher!" I observed, looking keenly at the wrinkled, kindly face.

"I have learned the secret of contentment—and I have taken seventy years to learn it!" came the quiet reply.

Thursday—A Duel of Wits

ACKNOWLEDGES GIFTS

Friendly Help Association Thanks Donors of Cash and Goods Received Last Month

The regular monthly meeting of the Friendly Help Association was held at the rooms in the Market Building last Tuesday, fifteen members being present.

The association acknowledges with grateful thanks the following donations received during the month of August:

Cash from the city, A. Friend, J. D. Virtue, Miss A. M. Russell, Wellbourn, Mrs. Davis, Mrs. Christie, M. H. Wellbourn, Mrs. Dunsmuir, and Miss J. Murray.

Clothing from Mrs. Garvey, Mrs. Ryder, Mrs. Paine, Mrs. Gillespie, Mrs. Code, Mrs. Brook, Mrs. Thompson, Mrs. McMillan, Bishop Griggs (Chapter, J. O. D. E.), Miss Carr, Miss G. Grant, Miss K. Hall, Mrs. Shoultice, Mrs. Phillips, Mrs. Rising, Mrs. Wellbourn, Mrs. Thomson, Mrs. Tacker and Mrs. F. G. Ellis.

Shoes from Mrs. Davis and Mrs. Clarke.

Pies from Mrs. A. H. Hunter, Apples from Mrs. Darnell, Mrs. Thorne and Mrs. Beavan. Pianos from Mrs. Warburton.

There is still great need for children's clothing and shoes, also a donation of fruit and vegetables is urgently asked.

A punctured eardrum often heals itself automatically.

FIFTY YEARS AGO TODAY

(From The Daily British Colonist of September 6, 1872.)

Basin and Main—London, Aug. 25.—It is stated that evidence in Marshal Bismarck's trial, now proceeding in Paris shows that the correspondence existed between Bismarck and the Germans prior to the surrender of Metz.

The African Diamond Fields.—The business of mining for diamonds continues briskly in South Africa, although the profits are uncertain. The general output is large, and the demand is increasing. The imports will amount to \$10,000,000 this year, or as much relatively as those of California in 1872. At New South there are 30,000 men within a radius of three miles. As the diamonds are only two and a half times heavier than water, and are found in solid masses, some of the gem-bearing strata are about five feet below the surface, and the mining is very dangerous. The life of the country is not favorable for the mining, and very dangerous. The life of the country is not favorable for the mining, and very dangerous. The life of the country is not favorable for the mining, and very dangerous.

NATIVE SON OF SAANICH BURIED

Funeral of the Late Mr. Solomon Edward Harrison Held at St. Stephen's, Mount Newton

The little church of St. Stephen's, Mount Newton, on Monday afternoon was filled to overflowing with the friends of the late Mr. Solomon Edward Harrison, who came to attend his funeral rites in the old chapel.

The cortege left the Sands Funeral Chapel at 12:30, reaching St. Stephen's church an hour later. As the procession neared Saanichton it was steadily added to by scores of people from the West District of Saanich, who came in big numbers to pay their last tribute to the memory of an honored resident, the late Mr. Harrison having been a native son, and holding the high esteem of a big section of the community. The church services were taken by the Rev. J. S. A. Haddon, who spoke simply but impressively of the life and character of the deceased. The services included the hymn, "Lead Kindly Light."

Among the big congregation were noticed Mr. Justice Eberts and Mrs. Eberts. At the conclusion of the service the remains were laid to rest in the churchyard adjoining St. Stephen's, where are the graves of both parents, two brothers and a sister who preceded Mr. Harrison.

The pallbearers were Messrs. A. Thompson, W. S. Harrison, J. Black, E. R. John, C. Chisholm and E. H. Marchette.

OBITUARY NOTICES

ANDERSON—The funeral of the late Mrs. Mary Anderson took place Monday forenoon from the B.C. Funeral Chapel, where service was conducted by the Rev. R. Connell. Many friends were present, and the hymns sung were "Nearer, My God, to Thee," and "Lead, Kindly Light." The following acted as pallbearers: Messrs. F. A. Jackson, J. A. Turner, R. Hall and Bryce Wright. The remains were interred in the family plot at Ross Bay Cemetery.

HOGG—Funeral services over the remains of the late Mrs. Jessie Hogg took place yesterday afternoon at the B.C. Funeral Chapel. The Rev. F. A. Chadwick officiated in the presence of a large gathering of friends. During the service the congregation sang the hymns, "Jesus, Lover of My Soul" and "Rock of Ages." Many beautiful floral offerings covered the casket and hearse. The following were pallbearers: Messrs. R. C. Brethour, J. Frith, A. F. Marconini, A. G. Marconini, J. R. Terry and J. W. Rawlinson. Interment was made at Ross Bay Cemetery.

PIM—The funeral of Councillor James Pim took place yesterday forenoon from his late residence at Royal Oak at 2:30, proceeding to St. Michael's Church, where service was conducted at 3 o'clock by the Rev. Nason. There was a very large attendance of sympathizing friends, including the police force, who attended in a body; also the members of the municipal hall staff, and many of the

DIABETES

older residents of the district. The casket and hearse were covered with an abundance of beautiful floral tributes. Two hymns were sung, "Rock of Ages" and "Nearer, My God, to Thee." The following acted as pallbearers: Messrs. G. J. Watson, Councillor R. Macdonald, Councillor G. McWilliams, Councillor G. A. Vantreight, Mr. J. L. Brooks, and Councillor A. E. Horner. The remains were interred in St. Michael's Cemetery.

KINGHAM—The funeral of the late Mr. Joshua Kingham took place yesterday afternoon. The cortege left the late residence, 1423 Belmont Avenue, at 1:45 o'clock, proceeding to the Reformed Episcopal Church, where service was conducted by the Rev. A. deB. Owen. There was a large congregation present, including members of the Pacific Club, members of the Elks, a delegation from the Knights of Pythias, also from the Liberal Association, officers and members of the Chamber of Commerce, and members of the local fuel firms. The hymns sung were "Paradise, O Paradise" and "Abide With Me." The casket and hearse were covered with beautiful tributes, which were laid to the high esteem in which the late Mr. Kingham was held. The following were pallbearers: Messrs. J. W. Playfair, R. Scott, B. C. Nicholas, P. H. Scurrah, M. G. Graham and J. O'Connell. The remains were interred in Ross Bay Cemetery.

COLLINS—The funeral of the late Mrs. Amelia Collins, who passed away last Saturday afternoon, will take place this afternoon, September 6, at 2:30 o'clock from the B.C. Funeral Chapel, where service will be conducted by the Rev. Chadwick. Interment will be at Ross Bay Cemetery.

NIVIN—Mr. F. C. Nivin, of St. Patrick Street, Oak Bay, has just received word from Toronto of the death of his brother, Dr. Ernest Fielden Nivin, who was well known in the West and to many Victorians during his visits to the Coast some years ago. Dr. Nivin served overseas and was severely wounded. On his return to Canada he was appointed to act on the medical board of review at Calgary, holding the rank of major, and accompanied the Prince of Wales as medical adviser on his recent visit to the Coast as far west as Victoria. He was afterwards appointed doctor in charge of the Air Service at Camp Borden, which position he held until last Spring.

VAUGHAN—Mr. Arthur Knowles Vaughan passed away at St. Joseph's Hospital on Sunday morning. He was born in May, 1866, at Cheatham Hill, near Manchester, England, and received his early education at the Manchester Grammar School. After taking a course in architecture, he came to Canada, eventually settling here in 1893, and has practically made his home here ever since. He had been an invalid for many years. Deceased leaves a host of friends to mourn his loss who admired his sterling qualities. The funeral, which will be held under the auspices of Dominion Lodge, No. 4, E.O. 2, will take place today at 2 o'clock from the Sands Funeral Chapel, the Rev. A. deB. Owen officiating. Interment will be made at Ross Bay Cemetery.

SCHOFIELD—On Monday, September 5, at Work Point Barracks, Gunner Thomas Schofield, age 46 years, born in Holby, near York, England, and a resident here for the past eighteen years. The funeral, which is being arranged by the Sands Funeral Company, will take place on Thursday, September 7, at 2 o'clock from the Sands Funeral Chapel, the Rev. A. deB. Owen officiating. Interment will be made in the Naval Cemetery, Esquimalt.

PALMER—The death occurred suddenly early Sunday morning at her residence, Lake Hill, of Lucy Anne Palmer, widow of the late Walter Palmer, in her 92nd year. She was born at Gayton, Norfolk, England, on May 11, 1854. She resided at Winnipeg for nineteen years and for the last twenty-one years had been a resident of Lake Hill district. She is survived by one son, Mr. T. W. Palmer, of Lake Hill; a brother, Mr. R. M. Palmer, of Cowichan Bay; and a sister, Mrs. T. R. Cracknell, of Winnipeg. The funeral will take place today at 11 o'clock from the Sands Funeral Chapel, the Rev. Robert Connell officiating. Interment will be made in the family plot at Ross Bay Cemetery.

ORR—There passed away Monday morning at the home of her daughter, Mrs. L. Hawke, of 706 Wilson Street, Mrs. Annie Laura Orr, age 61 years. Born in Amherst, N. S., she had been a resident of Grande Prairie for the past three months, previously residing in this city for fourteen years. She is survived by her husband, three sons—Clarence, Frederick and Belmont Orr, of Grande Prairie, Alberta; two daughters, Mrs. L. Hawke, of 706 Wilson Street, and Mrs. M. H. Barry, of 1942 Clare Street; also a mother, two brothers and four sisters in Nova Scotia. The funeral will take place today at 2:30 o'clock at the Sands Funeral Chapel, the Rev. Joseph McCoy will officiate and interment will be made at Ross Bay Cemetery.

Relief Is Found From Stomach Trouble

Hope for the millions of unfortunate men and women who are victims of stomach trouble is sounded by Mrs. M. Draper, who, with her husband, lives on their motor launch, the "She," and whose address is "General Delivery," Vancouver, B.C. Mrs. Draper was a victim of stomach trouble in its worst form, but was completely restored to health by taking Tania.

"I couldn't eat a thing but what would sour in my stomach and bloated me up. My nerves were in a frightful state, and I was getting weaker all the time. "Thanks to Tania, however, I am now feeling as well as I ever did in my life."

Undigested food ferments in the stomach, and soon the entire system is filled with poisons. Tania was designed to restore the stomach to a healthy condition and build up the whole body. Millions everywhere have acclaimed its wonderful power. Get a bottle today. Tania is sold by all good druggists. (Advt.)

FOUND DEAD WITH BULLET IN HEAD

Veteran Artilleryman Discovered at Signal Hill With Service Rifle Resting Between His Knees

Gunner Thomas Schofield, 43, of the Fifth Royal Canadian Garrison Artillery, was discovered by comrades Sunday afternoon at 5:30 dead near one of the 8.2 guns on Signal Hill with a service rifle between his knees and one .303 service cartridge exploded. The gunner's head was in a terribly smashed condition, but the Esquimaux police are puzzled by the absence of burning marks expected from a bullet wound of the kind Schofield must have sustained. The fact that the body had been removed before Chief Dawley arrived on the scene prevents him from advancing any theory.

Schofield was seen to leave his quarters, going in the direction of the gun emplacement about 6:30 Sunday morning, and comrades who observed him took no further notice of the matter, as they thought he had probably gone to shoot crows. No further thought was given to the matter until the body was accidentally discovered by members of the garrison, who were in the vicinity of the gun emplacement. The officer in charge and the medical officer were immediately notified. Coroner E. C. Hall has also informed and gave permission for the removal of the body. Both the coroner and Chief Dawley inspected the scene of the tragedy and an inquest has been set for 10 o'clock this morning at Work Point Barracks, where the body was taken.

Although there is naturally a suggestion of suicide, comrades of the garrison say there was nothing in Schofield's conduct to lead to this suspicion. He was popular with his fellow soldiers and to all appearances in the best of health and spirits.

Schofield was not only popular with the men at the garrison, but respected as a good soldier. He had twenty years' service to his credit, including three years' service in the line with the trench mortars in the Great War. He joined the Imperial Army in 1903, and came to Canada in 1904 with the Imperial Garrison. When the present Royal Canadian Garrison Artillery was the Royal Garrison Artillery at Esquimaux. When the change was made Schofield transferred to the Canadian army, and had belonged to the unit since 1908.

He has no relatives in this country and his only relatives known in England are a sister and a grandmother.

RESOLUTION PAYS TRIBUTE TO DEAD

Special Meeting of Chamber of Commerce Expresses Admiration for Late Mr. Joshua Kingham

At a special meeting yesterday the directors of the Chamber of Commerce passed the following resolution of tribute to the late Mr. Joshua Kingham, who was a member of the board:

"Whereas Joshua Kingham, our fellow director of this Chamber of Commerce of the city of Victoria, passed away on the 2nd day of September, 1922; and

"Whereas we, the directors, are here assembled in special meeting for the purpose of considering our sad loss;

"Now therefore be it resolved that we, the directors of this Chamber of Commerce, do hereby record our sense of the great loss which we have sustained by the death of our colleague, the late Joshua Kingham.

"By reason of his long and active co-operation in all Board of Trade and Chamber of Commerce undertakings and activities, he will be greatly missed.

"He became a member of the Board of Trade of the city of Victoria in 1902, and the next year was elected a member of the Council, in which capacity he served almost continuously. In 1918 he was elected president. In 1920 he took an active part in the re-organization and changing of the Board of Trade into this Chamber of Commerce, and since has served as a director of his body.

"He was a man of sound judgment, unimpeachable integrity and untiring energy. He never wearied of serving his home city, in which he took a great pride.

"We deeply regret his early demise and to his widow and family we individually and collectively extend this expression of our deep sympathy with them in this their great bereavement.

"Be it further resolved that the secretary be instructed and directed to send a copy of this resolution to the widow and family of our deceased fellow director.

"And be it further resolved that this meeting do now adjourn out of respect for our departed friend and co-worker."

The resolution was offered, and without discussion unanimously carried.

GALLANT SOLDIER DIES AT JUBILEE HOSPITAL

Mr. John W. Harrison Who Served in Two Wars, Won D.C.M. With Two Bars in Great War.

Another veteran of the Great War has passed to his rest in the person of Mr. John W. Harrison, aged 46 years, who died at the Jubilee Hospital on Monday afternoon. The deceased, who was a native of Grantham, Lincolnshire, England, was a first contingent man and also had a distinguished career in the South African War. He had the King's and Queen's medals and four bars for his service in South Africa with the Imperial army and was at the relief of Ladysmith.

When Great War broke out he again enlisted this time with the P. C. L. I. as a private on November 19, 1914, and served for the full duration of the war, receiving the 1914-15 Medal Star, general service medal and also the D.C.M. with two bars. After his discharge the deceased came to Victoria where he has lived for the past three years.

He is survived by his wife and family, who are at present in the East. The funeral will take place from the B.C. Funeral Chapel Thursday at 2 p.m. Rev. A. deB. Owen officiating. The remains will be conveyed to the cemetery on a gun carriage accompanied by a firing party.

Fire in Cigar Store—Fire which broke out in "The Dug-Out" Cigar Store, 1007 Government Street, at 12:30 o'clock this morning did a small amount of damage. The origin of the blaze is unknown. Smoke issuing from the premises attracted the attention of Constable Varney, who investigated and found the flames rapidly spreading in the front part of the store. He sent in an alarm which was promptly responded to by the fire brigade, and a stream from the chemical engine soon put out the fire.

City & District

Unique Club—The Unique Club will meet at the home of Mrs. Le Blanc, 500 Fort Street, on Wednesday evening at 8 o'clock sharp.

Service at Goldstream—Divine service will be held in the Goldstream Schoolhouse this evening at 7:30 o'clock, the preacher being Rev. H. Pearson.

St. Paul's Lutheran—The Ladies' Aid Society of St. Paul's Lutheran Church, Princess Avenue and Chambers Street, will meet in the church parlors on Wednesday at 2:30 p.m.

St. Jude's, Obed Avenue—The ladies' church committee of St. Jude's Obed Avenue, will meet in the church on Thursday, Sept. 7, at 7:30 p.m. Members of the congregation are invited to attend.

Gyro Luncheon—Matters pertaining to the raising of funds were discussed at the weekly luncheon of the Gyro Club yesterday. Mr. W. Vaughan Jones delighted the gathering with several vocal solos.

Women's Conservative Club—The Women's Conservative Club and Educational Club will open the new term on Friday at 8 o'clock in the club rooms, Campbell Building, with a social evening. A full attendance is requested.

Social Gathering—A social gathering arranged by the Women's Auxiliary of the Canadian Legion, amalgamated Veterans, Victoria Post No. 1, will be held next Monday. Members and their wives are invited to the gathering.

Deferred Cables Restored—Manager Hamilton, of the Great North-western Telegraph office, advises that transatlantic cable conditions are again normal and that messages at the deferred or half-rate are now being accepted as formerly.

At Cumberland Fair—Attorney-General Manson left yesterday afternoon for Cumberland, where today he will be present at the opening of the Fall Fair there. Hon. Mr. Manson is expected to return to the city this evening.

Applied Psychology—The Universal Fellowship of Applied Psychology will meet this evening at 8 o'clock in the Conservative Clubrooms, Campbell Building. A very important lecture will be delivered by Dr. Barker on "The Hygiene of Child Psychology." Everyone is welcome.

Margaret Rocks Robertson Chapter—The Margaret Rocks Robertson Chapter, I. O. D. E., will meet on Wednesday evening at 8 o'clock in the I. O. D. E. rooms. This will be the first meeting after the Summer vacation, and a full attendance is requested.

Lad Breaks Arm—While playing with companions at the Outer Wharf on Monday afternoon two-year-old Thomas, who came from the city, broke his left arm. In the police motor ambulance the boy was taken to his home, and his injuries attended to.

Shed Ablaze—A shed on Sayward Avenue was destroyed by fire early yesterday morning, but the prompt arrival of the fire brigade prevented the spread of the flames. Someone smoking in the place is supposed to have been the cause of the fire.

Minister Opens School—Hon. J. D. MacLean, Provincial Secretary and Minister of Education, left on Monday for Salmon Arm, where today he will officiate at the opening of a new school. He will visit various points in that section before returning home on Saturday next.

Service in Month—Service on the C.N.R. line to Sooke will be inaugurated in about a month. Mr. A. E. Warren, of Winnipeg, Western general manager of the Canadian National Railways, stated, when here on an inspection visit over the week-end. The car to be operated is now under construction.

Brentwood Hotel Closes—The management of Brentwood Hotel announces that this popular hotel has closed with the conclusion of the Summer season, and Mr. Felix Masarati, the proprietor, is leaving to join his wife at Qualicum Beach Hotel, of which she has had charge this year.

Stabbing Incident—John Handley, who was arrested on the charge of wounding William Roach, appeared in the city police court yesterday morning, and was remanded until this morning. Roach, who lies in the hospital with the knife wound in his abdomen, is reported to be progressing satisfactorily.

Refreshment Station Closes—Mrs. James Murray, who had charge of the refreshment booth at Tod Inlet station during June, July and August, closed her place yesterday for the Winter. She wishes to thank the many motorists and other visitors who gave her such generous patronage during the Summer.

T. S. Writer Here—Mr. Frank Wickizer, an editorial writer of the News-Press, St. Joseph, Missouri, arrived in the city yesterday on a brief visit, accompanied by Mrs. Wickizer. He is particularly interested in the working of the Government liquor vending system in the Province, and while here has been gathering data regarding it.

Returns From Trip—Mr. Walter Maguire, physical director of the local Y.M.C.A., arrived back in the city on Saturday evening after a fishing trip to various up-land points in company with Mr. E. R. A. Russell. He will commence immediately to plan for the gym work for the coming season, and announcement of schedules is expected shortly.

Guild of Health—The Rev. H. T. Archibald will address the members and friends of the Guild of Health in the Cathedral Schoolroom this evening at 8 o'clock. The secretary of the Guild will be at the headquarters, 1134 Richardson Street, this morning, between 10:30 and 12:30, to meet any interested in the work and to give information.

Garden City W. L.—The monthly

meeting of the Garden City Women's Institute will be held in Marjold Hall tomorrow at 2:15 p.m. Mrs. Lucas, matron of the Saanich Health Centre, will give a talk on the work done in connection with that institution. The prizes won at the recent flower show will be awarded.

I.O.D.E. Echoes Secretary—The quarterly reports from Primary Chapters, I.O.D.E., will not be needed this month, but Mrs. J. C. Barnacle, Municipal Chapter Echoes Secretary, requests that each secretary obtain as many new subscribers for the Echoes Magazine as possible, and forward their subscription money to Mrs. Barnacle, and the names to Mr. Barnacle, Mt. Tolmie.

Attends Mainland Fair—Hon. E. D. Barrow, Minister of Agriculture, who returned yesterday morning from his home at Chilliwack, left again last night for the Mainland, and will attend fairs at Chilliwack and Abbotsford. He will be back again at the week-end. Over the holiday the Minister paid a visit to the Sumas reclamation work, which is proceeding most satisfactorily, he stated.

Rockland W. C. T. U.—The regular monthly meeting of Rockland Park W. C. T. U. took place yesterday afternoon at the home of Mrs. Chester Edwards, Fernwood Road, with Mrs. John Hall, president, in the chair. Several resolutions were passed forecasting an active programme. Mrs. O. Welch sang a solo very delightfully and refreshingly served by the hostess before the guests dispersed.

Fell From Trestle—While walking along the railway trestle leading to the Johnson Street bridge, on the west side of the waterway, Frederick Hallier sustained a severe fall late on Saturday night while he and a friend were coming into the city from the Gorge. He fell a distance of twelve feet to the ground, the force of the impact rendering him unconscious. He was taken to St. Joseph's Hospital, where he was attended by Dr. Grant.

Ward Four Liberals—Several new members were added to the roll of the Ward Four Liberal Association, which met last night to plan for the activities of the coming Winter season. It was the first meeting following the Summer recess and the attendance was limited. After some minor items of business were attended to, the meeting was adjourned until next Tuesday evening, when it is expected there will be a full attendance of members present.

Tubercular Veterans—Affiliation with the Tubercular Veterans' Association, with headquarters at Ottawa, will be up for consideration at a meeting of the Victoria Tubercular Veterans tonight. The local men have been carrying on as a separate organization for some time, but correspondence which the secretary has received will probably result in their affiliation with the parent body. An executive meeting for 7:30 tonight and a general meeting for 8 o'clock.

Fined for Assault—Henry Duus was fined \$15, with the option of ten days in jail, in the city police court yesterday morning by Magistrate Jay for assaulting the informant, Thomas Harte, an elderly man, whom he assaulted on Saturday night while he and a friend were coming into the city from the Gorge. Duus, who defended the accused, took the box and testified to the good character of Duus.

Lake Hill W. L.—A meeting of the Lake Hill Women's Institute was held yesterday morning at the schoolroom, Mrs. Mercer presiding. Mrs. Sprague was elected official delegate to the conference of Women's Institutes, to be held in Victoria, where Mrs. Winkie was elected institute delegate to the same conference. A meeting will be held Thursday week at the residence of Mrs. Winkie, at which the members will present exhibits from which those to be shown at the Victoria exhibition will be chosen. Three ladies will give a demonstration of quilt making at the Victoria Women's Institute bazaar in the Belmont Building today.

G. W. V. A. Tax Day—The assistance of the Boys' Naval Brigade, the I. O. D. E. and the Kumtukiens will be sought by the Great War Veterans' Association for their tax day next Saturday. "I believe," says Recording Secretary J. P. Brown, "that both on account of our past record of service and our present aims, the organizations will be ready to co-operate with us. The local branch of the G. W. V. A. is faced with a heavy expenditure in taking up the cases of widows and dependents from whom they receive no membership dues, and the proceeds of the tag day are needed to continue the work."

Calgary Well for Calgary—CALGARY, Sept. 5.—With the announcement by President H. R. Pearson, of the Gas Company, this morning that a new well had been brought in at Barwell, the flow of which, while not estimated yet by officials of the company, may reach anywhere from three to five million feet per day. Calgary may again, within reasonable distance of a sufficient gas supply for the coming winter.

A weight dropped in the shaft of a deep mine will not fall straight, but to the right, experiments have proved.

continue this work and the other work the association undertakes.

Lively Debate—Resolved, that horse racing with pari-mutuel betting be permitted at the Fall Fair, was the subject of debate last night at the James Bay Methodist Church, where members of the Centennial and James Bay Methodist Young People's Societies met for a weighty argument. The controversy was settled in favor of the affirmative, which were represented by H. W. Davey and R. McKay, of the Bays. The negative side of the discussion was given by Walter Hall and H. Halliday, of the Centennials. The judges of the debate were the Rev. Dr. Saunby and Rev. Samuel Cook. Miss Chapman, president of the James Bay Young People's Society, presided over the gathering, which was the opening rally of the season.

Sale at "Cloverdale"—A garden fete and sale of work in aid of St. Luke's Church will be held at "Cloverdale," the residence of the Misses Tolmie, on Cloverdale Avenue, today at 3 p.m. As the convener and ladies of the parish have devoted a great deal of time and effort in assembling a widely diversified collection of beautiful and useful articles, those who attend this sale are assured that their visit will be well repaid. Clock about half the other amusements have been arranged, in addition to a number of beautifully decorated booths. Tea will be served during the afternoon. Buses will leave the corner of Shelbourne Street and Cedar Hill Crossroad at 2:30, also the Cloverdale car leaves the city regularly. The fete will be opened by the Bishop of Columbia.

Saanich Tax Sale—A little under \$3,300 was taken in yesterday by Saanich on the second day of the tax sale, before the Municipal Hall was closed because of the funeral of the late Councillor Pihl. The sale will continue today, commencing at 10 o'clock this morning. It is anticipated that the sale of the property on the tax sale list will be disposed of. If this is the case the total receipts from this year's tax sale will be in the neighborhood of \$14,000, about half the amount of the last year's sale. As high as almost double this amount has been taken in by Saanich in the past years' tax sales.

Will Try Again—After hearing the report of Mayor Marchant and City Solicitor Pringle regarding the interview which they had with the Attorney-General and the municipal inspector yesterday concerning the possibility of the city exempting from tax sale certain lands as recommended by a special committee of the Council, the City Council last night decided to send the city solicitor and controller back to the municipal inspector to evolve a plan which could be laid before the Provincial Executive Council at the end of this week. The Council's plan is to keep out of tax sale this year lands which the 1922 taxes are paid, provided that arrangements are made by the owners to pay the arrears over a period of fifteen years, in addition to keeping current taxes paid up to date in future.

Dominion Life Underwriters—The huge convention held in Toronto last month by the Life Underwriters' Association of Canada is overwhelming evidence of the influence of life insurance upon our country. The Life Underwriters of the United States participated in the convention through their own organization. Some 2,500 delegates were present, this being the largest convention ever held in North America. The Province of British Columbia was honored by the election of Mr. J. W. Hudson, Vancouver Island manager for the North American Life Assurance Company, to the vice-presidency of the Life Underwriters' Association of Canada for the ensuing year. Mr. Hudson's selection was a popular one, he being a well-known figure in Provincial life insurance circles, with headquarters in Victoria.

VICTORIA WINS CRICKET MATCH

Goward and Wilkinson Proved Destructive to Vancouver Batsmen—Locals Are Now Champions

VANCOUVER, Sept. 5.—Victoria cricketers won the Flumerfelt Cup, emblematic of the intercity championship, yesterday at Brockton Point, defeating a strong Vancouver eleven by a score of 145 runs to 22. The Mainland's batting strength collapsed before the effective trundling of Meares Goward and Wilkinson, the visiting team's leading bowlers. Previous to yesterday's match the teams were even in the series with one victory each. Victoria came through with a decisive win, and for the first time in two years takes possession of the championship cup.

Vancouver was all out for 123 runs, of which Tom Reed contributed a well-played 45. Reed was easily the star batsman of the match, which attracted a big crowd to the point. Major Cobbatt, Colonel Goodday, McAdam and Commander Noble were Victoria's leading batsmen. Thom bawled well for Vancouver, while Batsonhore also showed good form in Victoria's second innings, which, however, was not completed and had no bearing on the final result.

New Gas Well for Calgary—CALGARY, Sept. 5.—With the announcement by President H. R. Pearson, of the Gas Company, this morning that a new well had been brought in at Barwell, the flow of which, while not estimated yet by officials of the company, may reach anywhere from three to five million feet per day. Calgary may again, within reasonable distance of a sufficient gas supply for the coming winter.

A weight dropped in the shaft of a deep mine will not fall straight, but to the right, experiments have proved.

CAME FROM SCHOOL CRYING

Because he did not have a pair of ball-bearing roller skates like the other boys. Strong, easy running, adjustable skates for \$3.00. Get the boy a pair today and stop that sob. R. A. Brown & Co., Douglas and Johnson.

Fire at Winnipeg Beach. WINNIPEG, Sept. 5.—Fire early Monday morning destroyed eight business houses at Winnipeg Beach with a loss variously estimated at between \$10,000 and \$75,000. Thompson & Anderson, general merchants, are the heaviest losers.

NOVA SCOTIA MINERS ARE BACK AT WORK

SYDNEY, N.S., Sept. 5.—After a strike which lasted three weeks to the pit, the mine workers returned to the pits this morning.

The Nova Scotia collieries at Sydney Mines were idle as a result of a mix-up which occurred there early this morning, but it is officially announced the men will be back to work tomorrow, the difficulty having been satisfactorily adjusted.

Vancouver Island

EXPLOSION VICTIMS ARE LAID TO REST

Cumberland Town Turns Out to Pay Last Respects to Men Who Perished in Mine Disaster

CUMBERLAND, Sept. 5.—On Saturday afternoon, at 4 o'clock, the three white men, victims of the recent mine disaster here, were buried in the Cumberland cemetery. There was a large gathering, and music was supplied by the Cumberland band.

Robert Dunsmuir was given a military funeral, as he was an ex-service man. The G.W.V.A. turned out in a body, Mr. Mortimer taking charge of the veterans. Shots were fired over the grave, and the "Last Post" was sounded by Mr. Murdoch. Rev. Leveridge, Rev. Kinney, and Rev. Hood officiated.

On Sunday, at 3 o'clock, eight Chinamen, who died as a result of the mine explosion, were buried at the Chinese Cemetery. The procession started from Chinatown. The Cumberland band was in attendance. It was a largely attended funeral. A large number of the dead men's fellow countrymen marched slowly down the main street, brought up in the rear by the Chinese band.

All the men in the mine as a result of the No. 4 mine explosion are on the road to recovery.

Investigation of No. 4 mine accident will be held on September 8. The six Japanese, victims of No. 4 mine disaster, were laid to rest on September 1, the funeral starting from the undertaking parlors at 5 p.m. The Roydon sawmill truck was converted into a hearse, holding the six coffins side by side.

The funeral, after leaving the undertaking parlors, proceeded for the ceremonies to Japtown, and returning slowly went down the main street on the way to the cemetery. The band played part of the way with a muffled drum.

The Japanese intermediate baseball team, which lost its first game and right fielder, followed the hearse in a car, carrying all the beautiful wreaths. The whole town turned out to witness the sad procession.

Colwood's Women's Auxiliary. COLWOOD, Sept. 4.—The monthly meeting of the Colwood branch of the Women's Auxiliary will be held in the Colwood Hall, on Wednesday, September 6, at the usual time.

Goodbye to Summer. ALBERT HEAD, Sept. 4.—The Albert Head camping season is now at an end. The campers have packed up and returned to town till next Summer, the shacks being nailed up for the winter months. Mr. and Mrs. E. Hodder, however, were visitors to the camp for the week-end, returning to the city tomorrow morning.

DUNCAN SCHOOL STAFFS

DUNCAN, Sept. 2.—With the re-opening of the public schools today, the following will form the staff of the Duncan Consolidated School:

High School—Principal, Mr. A. B. Thorpe, assistant, Mr. J. W. Edwards.

Public School—Principal, Mr. Wm. Stacey, with the following staff: Miss R. W. Miles, Miss A. R. Ruffell, Mrs. E. M. Morton, Miss Davidson, domestic science; J. G. Somerville, manual training; all of whom held a position here last term, and Miss K. Carter, Miss A. Griffin, Mrs. B. McCall, Mrs. A. L. Pattison, and Mrs. C. Kelly.

Miss M. Robertson has been appointed to Chemsalun, Mrs. James Likeman to Westholme, and Miss Kate Lamont to Genna Bay.

CHINAMAN SUCCUMBS

CUMBERLAND, Sept. 5.—Lou Fong, a Chinaman, died in the hospital on Monday morning, bringing the list of victims in the recent mine explosion up to eighteen. There are three white men, six Japanese and nine Chinese dead so far in the Cumberland mine disaster.

SIDNEY NEWS NOTES

North Saanich W.I. in Monthly Session—about Response With Good Attendance

SIDNEY, Sept. 5.—The usual monthly meeting of the North Saanich Women's Institute was held this afternoon in the Wesley Hall, Mrs. Veith, president, in the chair. There was a good attendance of members. The treasurer reported a satisfactory balance in the bank. Among the correspondence was a letter of thanks from a former member for whom a tag day was recently held. The result of the flower show held last Monday was discussed and it was decided to award the Government prizes to those taking the most points by Government ruling, which left them as before, viz.: Mrs. Lophthien first, with 55 points; Mrs. Jacobs second, with 45 points.

Mrs. Deacon read a draft of the conference programme and it was decided to ask for an address on agriculture instead of social hygiene. The special organization was discussed and it was decided to hold a special meeting and ask the Department to send a speaker to address the members on the subject. A meeting will be held at the Wesley Hall, September 14, at 2:30 p.m. A vote of thanks was accorded the committee which organized the flower show.

School Re-Opens

Sidney School opened yesterday with an attendance of about 135 pupils, the epidemic of whooping cough which is raging at the present time militating against a larger attendance. There are two new school teachers: Miss Cobblewick, Div. 4, and Miss Houldsworth, Div. 3. Miss Christy is in charge of Div. 2, and Mr. J. Ramsay, principal, of Div. 1.

Sells House and Lots. Mrs. J. Lophthien has sold her house and six lots adjoining to Mr. J. Brennan. Mrs. Lophthien and her family leave next Tuesday for Port Angeles, to join Mr. Lophthien, who has been working there for some time past.

Girls' Sale of Work

The Girls' W. A. of St. Andrew's Church intend to hold a sale of work sold in the Wesley Hall, Saturday, at 3 o'clock. The girls, under the leadership of Mrs. T. Harrison, president, have been working hard for months past to make articles for sale at the stalls. Tea will be served and music to be supplied. The stalls will be held on Tuesday for Port Angeles, and a apron stall, all the goods being the work of the girls.

LAYS DOWN UNIQUE JUDICIAL PROPOSAL

Writer of Letter to Council Would Have Flexibility in Laws to Insure Justice

A suggestion, linked with the question of tax sales, was made to the City Council last evening, in a letter from Mr. Charles Provia that every law conclude with something like the following: "Provided always that twelve good men and true may, in certain cases, so act as to do justice in seeming contravention of the above enactment, if they are all agreed that such action is necessary to the public welfare."

The letter opens: "A comic opera has in it a love scene, 'Whom thou must chain, must wear his chains; thou canst not set him free'; but the man is addressing a beautiful princess, and not a decrepit by-law. I have known one of our best Victoria judges, on one occasion, at least, give a verdict which, while very just, was not strictly legal. I think everyone is agreed that at this particular time in the history of B.C., tax sales are somewhat unjust, however legal they may be."

After following this initial paragraph with his suggestion regarding a proper conclusion for laws, Mr. Provia adds: "And, further, why could not the same kind of proviso be put into a great number of laws? Such would be fought by trusts and big companies, but would make it more difficult for representatives of the trusts to get in any effective lobbying."

"The intention and wish of each separate voter (with a few exceptions) is for an honest representative of his interests, but the intention (spirit) is altered and sometimes reversed by following the language (letter). Which is not democracy, is it?"

"I could go on to prove that no such thing as democracy exists, although numerous books have been written about it, but I expect you are already voting me a nuisance."

The letter was only half read when Alderman Woodward moved that it be received and filed, and his colleagues agreed.

"There's more sense than nonsense in what he says," remarked Mayor Marchant.

"I was enjoying it," said Alderman Todd.

Wants Exemption. A letter from Mr. J. B. Clearhue, requesting that the property of Dr. Ernest Hall at the corner of Fort and St. Charles Streets be exempt from taxation on the grounds that a private hospital is being conducted on the premises. The letter was referred to the solicitor for report.

A protest from the Capitol Theatre against any increase in amusement taxation was received and filed. A request that the use of a building in the exhibition grounds at the Willows be given for this Winter was referred to the solicitor for report.

An Unfailing Way To Banish Hairs

(Beauty Notes)

Unfair hairy growths can be removed in the privacy of your own home if you get a small original package of delatone and mix into a paste enough of the powder and water to cover the hairy surface. This should be left on the skin about two minutes, then removed and the skin washed and every trace of hair will have vanished. No harm or inconvenience can result from this treatment, but be sure you buy real delatone. (Adv.)

CANADA'S DELEGATES TAKE ACTIVE PART IN LEAGUE ASSEMBLY

GENEVA, Sept. 5.—Hon. W. B. Fielding, chairman of the Canadian delegation to the League of Nations conference, who was elected yesterday as chairman of the committee on disarmament.

Hon. Ernest Lapointe and Hon. P. C. Larkin, also of the Canadian delegation, are on the committees of the constitutional and political questions and technical organization and finance, respectively.

Canadians have been very active since the opening of the assembly, taking part in numerous conferences. It has not yet been decided whether the delegation will urge the adoption of former Minister of Justice Doherty's amendment eliminating article 10 from the covenant.

To Keep Hair Curly, Wavy and Beautiful

Here is how your hair can be curled, wavy, easily and harmoniously, in "stay curly." Before doing it up, apply a little liquid astringent with a clean toothbrush. In three hours you will have just the prettiest curls and waves—and they will look soft, feel so natural you'll never think of doing without astringent thereafter. You won't be troubled any more with hair sticking around your face—with burnt, sun-ends, nor with that dull, dead appearance. The hair, whether long or bobbed, will remain in curl ever so long.

Any druggist can, of course, supply you with liquid astringent, and a few more will last you a long time. It is neither sticky nor greasy, and is really a delightful thing to use. It is doubly useful because of also serving as a beneficial dressing for the hair. (Adv.)

SPORTING NEWS

COLWOOD CLUB FORMALLY OPENS

Two Hundred Members and Guests Assemble at Links—Portrait of Mr. Sayward Presented

The formal opening of the handsome new clubhouse at Colwood Golf Club created no small stir of interest in sporting and social circles on Monday, when about two hundred devotees of the Royal and Ancient game of golf and their friends assembled in the main dining-room and lounge of the club at 4 o'clock.

Chief Justice MacDonald, official administrator in the absence of His Honor the Lieutenant-Governor, formally declared the clubhouse open, and in a concise speech wished the venture every success. He heartily congratulated Mr. J. A. Sayward, president of the club, and his fellow "pioneers," the late Hon. James Dunsmuir, Sir Frank Bernard, Mr. A. C. Flumerfelt, in the result of their strenuous efforts which were the means of adding to Victoria's many charms a splendid clubhouse for the Colwood links.

Following the formal opening a handsome portrait of Mr. J. A. Sayward, painted by Mr. J. Carlier, a well known local artist, was presented to the club by the members. Dr. Bryant called upon Chief Justice MacDonald to officiate at the unveiling of the portrait, and as the flag which covered the picture was released the assembly sang "For He's a Jolly Good Fellow." Once again Chief Justice MacDonald spoke most highly of the indefatigable work carried out by Mr. Sayward in connection with the Colwood Golf Club, and in responding Mr. Sayward recounted the value of the interests shown by the late Mr. Dunsmuir and his associates in the land company.

Later in the afternoon tea was served, and dancing took place in the main lounge, where Heaton's orchestra supplied the catchy dance music. Ladies of the club and guests filled the rooms with a profusion of late summer blooms, and assisted with the serving of tea, which was under the management of Mrs. C. R. Jenner.

Among the many who attended the opening of the club were the party from Government House, which included Chief Justice and Mrs. MacDonald and Mr. and Mrs. G. A. Galt; Sir Frank and Lady Bernard; Miss Katherine Lowman, Miss Mara, Mr. and Mrs. Norman Yarrow, Mr. and Mrs. A. C. Flumerfelt, and Mrs. C. P. Hill, Mr. and Mrs. W. H. Hargrave, Mr. and Mrs. Sayward, Mr. and Mrs. J. A. Rihet, Mr. and Mrs. Graham-Graham, Mr. and Mrs. B. Heisterman, Mr. and Mrs. A. R. Green, Mr. and Mrs. C. E. Thomas, Miss Gladys Irving, Miss Mowbray, Mr. and Mrs. P. C. Abel, Mr. and Mrs. Andrew Gray, Miss Gray, Dr. and Mrs. Tomlin, Dr. and Mrs. Bryant, Hon. John and Mrs. Hart, Dr. Keyes, Dr. Geo. Hall, Dr. and Mrs. E. H. Griffith, Mr. and Mrs. H. A. Ross, Mr. and Mrs. P. R. Scurren, Mr. and Mrs. J. E. B. Dickson, Miss J. Bridgman, Mr. and Mrs. B. S. Terry, Miss Ince Terry, Captain and Mrs. C. I. Macdonald, Mr. and Mrs. G. Burt-Smith, Messrs. R. A. Playfair, G. J. Simpson, J. I. Findlay, Vincent Martin, Martin Straith, Captain Weeks, Captain Woods, and many others.

LOCALS TO PLAY FOR STARR-REYNOLDS CUP

Match Arranged Between Victoria and Vancouver Tennis Clubs—Play Here Saturday.

A fitting event has been arranged by the Victoria Lawn Tennis Club committee for the close of the tennis season on grass courts in the challenge to the Vancouver Lawn Tennis Club for the possession of the Starr-Reynolds Cup, which was presented to the Pacific Northwest Lawn Tennis Association for competition among the member clubs of that association.

This cup has been won by the Vancouver Lawn Tennis Club within the last few weeks from Laurel Lawn Tennis Club, Vancouver, and now Victoria is after it.

The matches, which consist of four men's singles and one men's doubles ordinarily would take place on the courts of the holder, but Vancouver Lawn Tennis Club has magnanimously waived that condition and the matches will take place on the Victoria Lawn Tennis Club courts next Saturday afternoon, commencing promptly at 3 o'clock.

Vancouver Lawn Tennis Club representatives will be Messrs. Varley, Richards and Cardinell. Victoria's representatives are yet to be chosen.

The public will be admitted to the matches on payment of the small fee of \$40.

Full particulars will be published in these columns later in the week.

CHAMPIONSHIP BASEBALL

Amateur League baseball fans will be pleased to learn that advice was received from Vancouver yesterday stating that the first game of the final series for the Provincial championship would be played in Victoria next Saturday.

Joos and Hanbury will meet this evening at Athletic Ground, Vancouver, to decide the Mainland title, and the winners will meet the Victoria Elks, island champions, in a three-game series to decide the big honor. Saturday's game will be mailed as early as possible after the arrival of the Vancouver boat, and further particulars will appear in The Colonist.

"BILLY MUIR" FUND

The first meeting of the committee consisting of representatives from the various swimming organizations in Victoria to administer the fund which is being raised to pay the expenses which are being incurred by Billy Muir, the popular young diver who met with such a serious misfortune a short while ago, will be held tomorrow night, 8 o'clock, at the club quarters of the Victoria Amateur Swimming Club, on the Gorge Road.

Those who will attend this meeting as representatives of the local aquatic clubs are as follows: V.A.S.C.—Robert W. Hibberson and Richard Bird; Elks—Jimmy Stewart and Harold B. McDonald; V.I.A.A.—W. H. Mearns and W. H. Davies.

The Y.M.C.A. has not yet appointed representatives.

Tomorrow night's meeting will be principally occupied in organizing the committee, choosing the officers and discussing ways and means of augmenting the "Billy Muir" fund. In view of the desirability of taking immediate action toward raising more money for the injured diver, it is hoped that the swimming clubs will have their representatives on hand at this meeting.

AMERICA HOLDS THE DAVIS CUP

Patterson Loses Singles to Johnston, Anderson to Tilden—Australian Captain Makes Speech

FOREST HILLS, Sept. 5.—A valiant effort to take the Davis Cup, international team tennis trophy, to Australia failed today when the turf courts of the Westside Club.

Gerald L. Patterson, ace of the Antipodean challengers, met and lost a stirring three set match to William M. Johnston, of San Francisco, 6-2, 6-2, 6-1, and the cup was America's for another year at least.

When Patterson walked on the courts with Johnston the burden of Australia's hopes rested upon his shoulders. He and his team mate, James C. Anderson, had been defeated in the singles matches last Friday by William T. Tilden and Johnston. Then on Saturday Patterson, paired with Pat O'Hara Wood, won the doubles encounter in straight sets from Tilden and Vincent Richards.

Patterson was brilliant today, but his opponent, steady and accurate, was even more so.

Johnston's steadiness carried him through most of the rallies and his flawless backhand kept Patterson continually on the run.

Patterson had his backhand working better today than against Tilden on Friday. Johnston soon learned this and drew Patterson into a deep court game. Johnston's drives were deeper. He went to the net but few times.

Anderson's Fine Effort

In the second match today Anderson gave Tilden a close brush in five sets.

Anderson was the more brilliant of the two, but his strength ebbed after the third set and Tilden's attack carried him through. Anderson was C. I. Macdonald's game that his team mate, Pat O'Hara Wood, used in the doubles match Saturday. He drove to the sidelines, through Tilden's feet and across court for placements that ended many of the long rallies. Many of the Australian's drives came so fast that Tilden made no effort to return them.

Patterson, captain of the Australian team, in a speech to the gallery, said: "I want to thank you for the great spirit of sportsmanship you have shown. It has been the same everywhere in the United States that we have been. I may be criticized for saying this, but I am going to say it anyway: Americans are the greatest sportsmen in the world."

GRAND CIRCUIT RACES

Fields Small at Hartford, But Thrills Plenty—Driver Edman Has a Nasty Spill

HARTFORD, Conn., Sept. 5.—Small fields started in the opening day's Grand Circuit, but two of the three events furnished plenty of excitement.

Lon McDonald furnished an upset when he drove King Watts to victory over Bill Sharen and the Great Yolo, favored in the 3:08 trot, and Pluto Watts, a full brother to King Watts, raced to an unexpected victory in the 2:10 trot. Edith Trotter won the three-year-old trot in a duel with Suavity.

Driver Fred Edman was knocked from his sulky when he was turning the race, but he was not hurt. The Taliahafoe for the score in the first heat of the 2:10 trot by Peter Earl, champion three-year-old, with Nat Ray in the sulky. Ray was giving Peter Earl a workout and was coming down the stretch at a lively clip when the horses in the 2:10 trot turned for the score. He attempted to cut through, but Peter Earl crashed into Edman, knocking him to the track unconscious and hurling him into the air. Neither driver was seriously hurt. Taliahafoe started the race with Edman's son, Nell, driving.

A Practical Prescription For Sour, Acid Stomach

Nine-tenths of all cases of stomach trouble are caused by indigestion. In the beginning the stomach itself is not diseased. If this acid condition is allowed to continue, the acid is very likely to eat into the stomach walls and produce gastritis with its attendant pains. A radical surgical operation necessary to prolong life. Therefore, as "acid stomach" is really a dangerous condition and should be treated early, the disease and its attendant gastritis may be early so controlled by Burdock Magnesia, taken in teaspoonful doses in a glass of water after each meal. Later portions may be used if necessary, as it is absolutely harmless. Be sure to ask your druggist for the pure Burdock Magnesia especially prepared for this purpose. (L.A.S.)

How Is Your Battery Behaving?

Remember, please, it doesn't pay to drive a stubborn battery. It must be humored into starting easily and quickly, for if it doesn't you are simply ruining it with abuse. And in the end that sort of treatment costs you money.

If you are having battery troubles see us without delay. We are battery specialists.

WHITE SAUCE FOR MANY PURPOSES
Melt 2 tablespoons of butter in sauce pan; when bubbling add 1 tablespoon of flour and stir until well blended. Pour in, very gradually, $\frac{1}{2}$ cup Carnation mixed with half cup water. Add quarter teaspoon salt and dash pepper. Heat until smooth and creamy.

THIS CREAMED ASPARAGUS IS GOOD

Take 3 bunches asparagus and 8 cups cream white sauce. Break off lower parts stalks. Wash and remove scales. Cook in boiling salted water 15 minutes. Leave tips out first 10 minutes. Drain, remove string and add to sauce. Serve six.

Mary Blake
Domestic Science Dept.

CARNATION makes a delicious cream sauce for vegetables. Its double richness—twice that of ordinary milk—and its fine distinctive flavor blend perfectly with the savor of the dish.

Use Carnation to cream any vegetable. Use it in any recipe calling for milk. Use it undiluted as a delightful and economical alternative for cream. Where ordinary milk is required be sure to add an equal quantity of water to reduce its richness.

Carnation is absolutely pure and keeps in the tin indefinitely. You don't want less than the best. Have your grocer deliver a half dozen tins with your next order.

Add new delights to all meals by using the Carnation book: "One Hundred Tested Recipes." Free on request. Carnation Milk Products Company, Limited, 534 Yates Street, Victoria, B. C.; 134 Abbott Street, Vancouver, B. C.

G.W.V.A. PRESIDENT APPEALS TO PUBLIC

Points Out Accomplishments of Association for Service Men and Their Dependents

With the G. W. V. A. Tag Day set for Saturday, President A. H. C. Jones, of the local branch of the Great War Veterans' Association, takes the opportunity of pointing out the accomplishments of the association. Mr. Jones lays special emphasis on the facts that the Great War Veterans' Association works just as energetically for dependents of ex-ser-

vices men, and ex-service men who are not members of the association from whom they receive no financial support as for its own members. Money has also been liberally spent in aiding cases of distress, for funeral expenses of veterans, and it is to help meet the many calls on the treasury along these lines that permission was asked for a tag day.

In support of his arguments, he drew attention to an interview with Mr. Walter Drinnan, provincial organizer of the Great War Veterans' Association.

Relieved Distress
Mr. Drinnan pointed out on that occasion that the service of the G. W. V. A. was open to all, whether members of the association or not. "Relief funds have been established in al-

most all of the branches through membership dues and voluntary contributions and the relief has been given with equal generosity to members to non-members. To cite one specific case, I would refer to the Victoria branch, which prevented much suffering during the winter of 1921 and as a result of its action is practically without funds to continue its existence. It gave not merely until it hurt, but until it practically killed the branch—this in the service of all comrades, not merely of the G. W. V. A.

The Soldiers' Settlement Board came into existence as a result of G. W. V. A. representations. "The equalization of gratuity to Imperials was brought about solely by the energy and determination of the G. W. V. A."

"The refund of passageway money to dependents who returned prior to Armistice was brought about solely by the energy and determination of the G. W. V. A."

"The payment of gratuities to dependents of fallen is another benefit secured and which does not affect members of the G. W. V. A. personally. The increase of B. C. R. allowance was secured on representation of the G. W. V. A."

Preference to veterans in the civil service, establishments of Government labor bureaux affecting all unemployed men, and the opening of desirable tracts of lands for soldier settlers, and the increase of pensions to widows are all claimed as result of G. W. V. A. action.

Mexicans Die Like Jazz
EL PASO, Tex., Sept. 5.—Porters denouncing American jazz musicians who have invaded Mexico have been received by Juarez musicians from the Mexico City Philharmonic Society. The society is attempting to start a movement to oust the foreign musicians from the country.

FORESTERS MAKE GAY LABOR DAY

Brilliant Parade and Dance and Sports in Afternoon Draws Thousands to Victoria for Holiday

The celebrations planned by the Victoria Foresters to mark the 50th anniversary of the Ancient Order of Foresters on the Pacific Coast supplied just the needed festival feature for Labor Day in Victoria. The big parade early in the day, brilliant with the scarlet, gold and Lincoln green colors of the Order; the stores gaily decorated to co-operate with the Foresters in their celebration and endeavoring to out rival each other in an effort to catch the judge's eye for the best decorated store; the splendidly organized field day at the Stadium, with a well-varied programme of sporting events; and the banquet and dance in the evening at the Armory, gave all Victoria the opportunity of spending Labor Day in a fitting manner to mark the last real holiday for the summer.

Thousands of Foresters from Ladysmith, Nanaimo and other upland lodges poured into Victoria on a special train during the day and other Foresters and friends from Vancouver and New Westminster helped to swell the vast crowd that was present at each feature of the day's celebrations. Gay carnival head-dresses, and costumes worn by the ladies, the regalia worn by the members of the Order, colored feathers and balloons, all combined to make a brilliant spectacle, and at the dance at the Armory in the evening it was particularly striking. Hundreds joined the Foresters for the dance, and even the apocryphal accommodation that was more than sufficient to prevent crowding. O'zard's orchestra supplied the music and with the thousands present, all in a real holiday humor, the dance was a great success from the opening to the home dance.

A Big Banquet
Upwards of seven hundred sat down to the banquet at the Tighe & Wheeler at the Drill Hall at 8:30, and, with Bro. Henry Callow, P.C.R., as toastmaster, an interesting programme was carried out. The health of "A. O. F. Court's Vancouver, No. 5755," proposed by Bro. M. Bates, P.D.C.R., Nanaimo, was drunk to the accompaniment of the singing of "For They Are Jolly Good Fellows." Bro. A. E. Greenwood, D.C.R., Vancouver Island district, acknowledged the compliment.

Bro. James Knight, P.D.C.R., Nanaimo, made an interesting response to the toast of "Our Pioneers in Forestry," and referred to the time when he used to make the journey from Nanaimo to Victoria by canoe.

The toast of the "Provincial Government" was briefly proposed by Dr. Lennox. Mr. H. C. Hall, K.C., responding, outlined the different departments of the Government. There were two principles of Forestry which were necessary to good government, thrift and frateralism. He extended hearty congratulations to the promoters of the proceedings on the health of the ladies was drunk, and the toast of the "City of Victoria" was next proposed. By this time the orchestra was tuning up for the dance, so Mayor Marchmont, after receiving Forestry as one of the noblest movements the world ever saw, said he would not keep the dancers from their pleasure, and concluded his speech. "The Juveniles" was proposed by Bro. W. F. Fullerton, P.D.C.R., who pointed out there were 184 Juvenile members, and he pleaded with persons who were members to enlist the Juveniles in the Order. It was upon the Juveniles, he remarked, that they relied to build up the Order. He also congratulated the young members on their splendid showing in the parade.

Mr. Arthur Mannon, mounted on a fine black horse, had the honor of leading what was generally voted to be one of the finest parades held in Victoria. The procession formed up at the corner of Pandora Avenue and Quadra Street at 1:30 o'clock, and was admired by thousands of people as it wended its way south on Quadra Street, west on Yates Street to Government Street, south on Government Street, east on Fort to Douglas, and again south along Douglas to the Stadium.

Maid Marion and Robin Hood, also on black chargers, followed the grand marshal. Court Vancouver, headed by its banner, came next in the line of march, to be followed by an automobile containing "78-year" Foresters. A second car with "50-year" Foresters was next, followed by a banner of welcome to the visiting Courts and the 8th Regiment Band. Court Northern Light, and Court Nanaimo followed a float representing a section of Sherwood Forest; then the band of the Boys' Naval Brigade. Court Victoria marched ahead of its float, the "Court Room," emblematic of "Unity, Concord and Benevolence." The ladies of Court Maple Leaf and the ladies of Court Nanaimo followed, making an impressive showing in white costumes. A float emblematic of "Peace, Progress and Prosperity," staged by Court Newcastle, was next in line, followed by Court Camosun and the ladies of Court Triumph.

The lady members and juveniles of the Order considerably helped in the success of the parade and provided a fine touch of color with their dresses and decorations.

Mr. H. Maynard, of Silver Spring fame, had a handsomely decorated suite in the parade in the Foresters' colors of scarlet, gold and Lincoln green being used. Much favorable comment was passed on the car.

The Juvenile float, which was so much admired, was the result of the combined efforts of Court Excelsior, Court Canada and Court Liberty.

TWO CHILDREN KILLED BY THEIR MOTHER
WOODSTOCK, N. B., Sept. 5.—A coroner's jury, empaneled at Argyle, Carleton County, found that Mrs. Allan Boyd was responsible for the death of her two children, Charles and Myrtle, who were discovered Sunday morning in their bed with their heads crushed to a jelly.

Mrs. Boyd is 32 years of age. About eight years ago she was in the hospital for some time.

Another PRICE Suggestion Maple Nut Cake and Chocolate Layer

THIS unusual, economical Maple Nut Cake will keep fresh for several days, and the Chocolate Layer Cake, made in a little different way with Dr. Price's Cream Baking Powder, is a family favorite too. Try one or both of them today!

(All measurements for all materials are level.)

MAPLE NUT CAKE

$\frac{1}{4}$ cup shortening
1 cup light brown sugar
2 eggs
 $\frac{1}{4}$ cup milk
 $\frac{1}{4}$ cup flour
 $\frac{1}{4}$ teaspoon salt
2 teaspoons Dr. Price's Baking Powder
1 cup chopped nuts—preferably pecans
1 teaspoon vanilla extract

Cream shortening, add sugar slowly and yolks of eggs and milk and beat well; sift flour, salt and baking powder together and add chopped nuts; fold in beaten whites of eggs; add flavoring. Bake in well greased loaf pan in moderate oven 35 to 45 minutes. Cover top with maple icing and sprinkle with chopped nuts while still soft.

MAPLE ICING

$\frac{1}{2}$ teaspoon butter
2 tablespoons hot milk

Send for FREE Cook Book—"Table and Kitchen"—149 Notre Dame East, Winnipeg, Can.

DR. PRICE'S Cream Baking Powder

Made from Cream of Tartar, derived from grapes. Raises the dough perfectly, giving the food fine texture and rich flavor.

MADE IN CANADA

$\frac{1}{4}$ cup confectioner's sugar
 $\frac{1}{4}$ teaspoon Dr. Price's Baking Powder
 $\frac{1}{4}$ teaspoon maple flavoring

Add butter to hot milk; add sugar slowly to make paste of the right consistency to spread; add flavoring, and baking powder and spread on top and sides of cake.

CHOCOLATE LAYER CAKE

$\frac{1}{4}$ cup shortening
1 cup sugar
1 egg
1 cup milk
 $\frac{1}{4}$ cup flour
4 teaspoons Dr. Price's Baking Powder
 $\frac{1}{4}$ teaspoon salt
1 teaspoon vanilla extract

Cream shortening; add sugar gradually, beating well; add beaten egg, one-half the milk and mix well; add one-half the flour which has been sifted with salt and baking powder; add remainder of milk, then remainder of flour and flavoring; beat after each addition. Bake in greased layer cake tins in moderate oven 15 to 20 minutes. Put together with

CHOCOLATE FILLING AND ICING

3 cups confectioner's sugar
Boiling water
1 teaspoon vanilla extract
2 ounces unsweetened chocolate (2 squares)
 $\frac{1}{4}$ teaspoon grated orange peel

To sugar add boiling water very slowly to make a smooth paste; add vanilla, melted chocolate and orange peel. Spread between layers and on top of cake.

CANADA AND U.S. TO PAY JOINT TRIBUTE

Veterans of Two Countries to Honor Victoria Veterans Who Died From War Service

Another joint meeting of delegates of the ex-service organizations of the city was held last night at the G. W. V. A. rooms, the president of the G. W. V. A., Comrade A. H. C. Jones, in the chair. It was announced by Comrade Craigmont that the 16th Canadian Scottish Pipe Band would play both Saturday and Sunday on the occasion of the visit of Seattle veterans. The Salvation Army Band and the 5th Regiment Band have also volunteered their services.

Owing to the absence of Mr. Raynor, of the Boys' Naval Brigade, it was impossible to announce whether the boys would be able to play. The hope was expressed that the boys might take part in the ceremonies at Rose Bay, at which both Americans and Canadians will honor their comrades who fought for the same great cause. The memorial service at Rose Bay, it was pointed out, will be one of the features of the visit of the Seattle veterans, and on that occasion veterans of the Canadian army and U. S. army will join hands in paying

a tribute to comrades who paid the supreme sacrifice, even though it were not on the battlefield. This service, it was stated, would help to strengthen the tie between America and Canada, and an appeal was made for a large representation in the parade. Those taking part will assemble at the Parliament Buildings at 1 o'clock and the march will commence at 1:30 Sunday afternoon.

Comrade Murdoch, president of the Veterans of France, and Comrade W. G. Stone were appointed to work in connection with the 5th Regiment for the community gathering at the Armory Saturday night.

Comrade Neary will have the management of the football game, and will introduce a new Victoria eleven to meet the team which the Seattle visitors will bring over to oppose a Victoria eleven. The local team, which will be selected by the Victoria and District Football Association from Victoria veterans, will play as the Veterans' Alliance Eleven.

G.W.V.A. Tag Day
The fact that the G.W.V.A. tag day will be held on the same day that the Seattle visitors arrive in the city was discussed, and objections were raised by some of the delegates. On the presentation of correspondence, showing that application was made and a date set for the tag day before the excursion from Seattle was planned, the matter dropped.

MEETING TONIGHT ON EVICTMENT CASE

No Reply Received by Veterans From Owner or Purchaser of Veterans' House in South Saanich

No further reply having been received from either Miss Gertrude Jones, the owner of the property, or Mr. A. E. Jones, who purchased the house of F. G. Smith at a Sanich tax sale for \$38.12, by the deputation of the Canadian Legion, Victoria Post No. 1, Amalgamated Veterans, which waited upon them, plans for the general mass meeting at the Trades and Labor Hall tonight, at 8 o'clock, have been made.

F. G. Smith, his wife and six children are faced with an eviction and, while the legality of the present ownership of the property and the eviction proceedings are not disputed, a strenuous effort to recover the property for the former owner is being made. A sum of \$200 has been offered to the present owner for the return of the house which he secured for less than \$40.

Ex-service men and the public generally are invited to the meeting this evening.

Early Rome had no fire insurance agencies, but the sufferers were compensated by generous citizens.

Choose Your Preserving Utensils Carefully

MANY women enjoy great success with their preserving year after year for the simple reason that they use the best enameled ware that money can buy. They use either Diamond Ware or Pearl Ware. The porcelain-like surface of either of these wares keeps as clean as a glass jar. Acidic fruit juices cannot affect their non-metallic surface. Ensure success in your preserving by using

SMP Diamond or Pearl WARE

"A Face of Porcelain and a Heart of Steel"

The hardest cooking or preserving leaves it as easy to clean as china. It cannot absorb grease or odors. And it will mean much lower cooking fuel bills, because it cooks food far faster than all-metal utensils.

Do you know that the Diamond Ware or Pearl Ware pot or pan that cost \$1.50 last year can now be bought for 90 cents? Ask your regular hardware merchant.

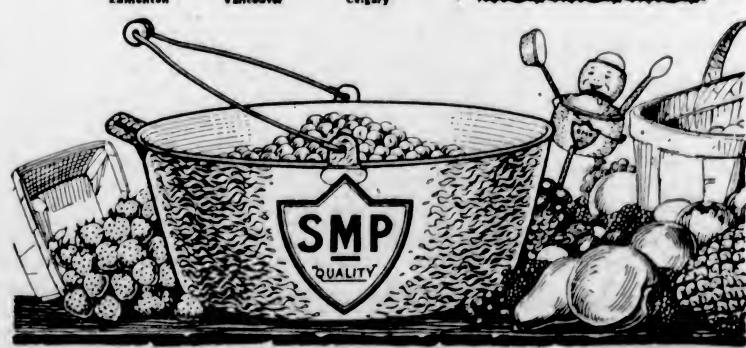

Diamond Ware is sky blue and white outside, all white inside, with three coats of enamel fused on shapes of steel. Pearl Ware is pearly grey inside and out and has two coats of special SMP enamel fused on steel shapes. Either will suit you admirably.

Reduced Prices on Preserving Sets

HARDWARE merchants who sell SMP Wares have put a special price this year on Diamond Ware and Pearl Ware preserving sets—comprising preserving kettles, sauce pans, cutlenders, measures, fruit jar fillers, flat skimmers, ladles, spoons, pitchers and so on.

Clip this advertisement from the paper. Take it to your regular hardware man's store and he will give you a very moderate price on a preserving set—much cheaper than buying the utensils at the regular price piece by piece. It's a great saving. And make sure the SMP trademark is on every utensil.

The Opening of School

again brings to the front the vital importance of providing the proper pen for every student and scholar.

Every attention is paid to having text books easy to read, in order to avoid eye-strain.

Too often, little attention is given to the choice of a pen—with the result that the wrong size or shape of the ordinary pen tires the hand, writing becomes irksome, and the handwriting grows more and more illegible.

Waterman's Ideal Fountain Pen

Is an education in smooth, easy, effortless writing. The steady, uninterrupted flow of ink allows the pen to keep pace with the student's thoughts.

It provides a size to perfectly fit every hand, from boy and girl just entering the graded schools to those attending college and university. There is a point to suit every style of writing, including the point recommended by Experts of Education, fitted to three distinct types of barrel—regular, safety and self-filling.

See that your boy or girl has the right pen to do his or her best work at school.

NOT TO CO-OPERATE ON EVICTION CASE

An organization the Grand Army United Veterans will refuse to lend their assistance in fighting the eviction of J. G. Smith, a veteran, living on Calumet Avenue, whose house was recently sold at a Sanich tax sale to Mr. A. E. Jones for \$23.12. Mr. Smith, unless eviction proceedings are arrested, may within the next few days be turned from the house with his wife and six children. During discussion on the matter at last night's meeting of the Grand Army United Veterans it was stated that a delegation had taken the matter up two months ago and made a full report to the organization. An effort had been made at that time to secure the property in the name of Mrs. Smith. On the report of that delegation the organization did not feel justified in joining the mass meeting to be held tonight.

The meeting also went on record as opposed to the Great War Veterans' Association holding a tag day September 9, the day the American Legion visitors from Seattle will come to Victoria. It was decided, however, to continue their co-operation with the G.W.V.A. in entertaining the United States veterans. The G.A.U.V. quarters not being considered large enough, it was decided to secure another hall for the day in which to entertain the Americans.

Eight new members were installed. A resolution was carried in favor of sending Comrade Crawford, of Vancouver, as a joint delegate to the Dominion convention at Niagara Falls, September 22 and 23.

The report of the delegate to the Provincial convention at Burnaby, which stated that the G.A.U.V. was flourishing and increasing in membership throughout the Province, was received and thanks accorded the delegate for his report.

It's Easier for Dealers To Sell Hasslers

IT'S easier for a dealer to sell a set of Hasslers than it is to sell a substitute

—because Hasslers are known everywhere as a high-grade product built on scientific principles. Over one and a half million sets in use have made their name a by-word for comfort, economy, and dependability.

It is not always the dealer who is looking for the greatest margin of profit that makes the biggest success in the end. It is the dealer who has always in mind the welfare of his customer which, ultimately, means repeat orders and free publicity.

All Hassler dealers know Hassler value. They recognize Hassler ability to create an ever-increasing chain of satisfied customers. They're making easier sales and bigger profits in the long run with Hasslers.

Hasslers can be procured at all dealers or Putman, Cosens & Wright, Distributors, 418 Abbott Street, Vancouver, B.C.

ACCUSED DENIES SELLING BEER

Major G. W. Nicholson, M.C., Takes Stand in Own Defence — Judgment in Case Reserved Until Today

Emphatic denial to the accusation that he had sold beer to Kenneth LeChance and Carl Ledoux, two stool pigeons in the employ of the Liquor Control Board, on July 6, 1922, at the Sooka Harbor Hotel, was made in the Provincial police court yesterday by Major George W. Nicholson, M.C., the proprietor of the hotel, in taking the stand in his own defence. In the first of the cases brought against alleged violators of the Government Liquor Act, following the hearing of the evidence furnished by witnesses for the prosecution and defence, and the address of counsel, Magistrate Jay reserved judgment until this morning.

The court room was crowded when the trial of the first charge, laid against Major Nicholson, was proceeded with. Pleas of not guilty were entered by the accused through his counsel, Mr. H. A. Maclean, K.C. The prosecution was conducted by Mr. Richard C. Lowe.

The first witness for the prosecution was Kenneth LeChance, police constable attached to the Government Liquor Board, who said he had visited the Sooka Harbor Hotel on July 6, and on the following afternoon had, in company with his fellow constable, Ledoux, and a guest named Laundry, gone into the bar of the hotel, where, he declared, they were sold some Silver Spring beer.

Wanted to Be an Agent

Witness told of having gone to the office of the Merchants' Casualty Company, in Vancouver, where he said he and Ledoux were made employees of the company. LeChance said that he had gone to this insurance company with the honest intention of becoming an insurance agent.

Carl Ledoux, partner of LeChance in the raid on Major Nicholson's premises at Sooka, told the court that he had gone to the Merchants' Casualty Company's office with his fellow-constable, the latter, he said, being appointed an agent for the company by its manager, Mr. Love. "I asked Mr. Love if I could be an agent, too," said witness, who testified that he had also been made an agent.

Declaring that he had effected the arrest of the accused and had served the warrant on him at the Sooka Harbor Hotel, witness admitted telling Major Nicholson that he and LeChance were insurance agents, when cross-examined by Mr. Maclean, K.C.

Answers "Yes"

"Then you led the accused to sell you whisky and beer?" asked Mr. Maclean. "You went to the hotel to trap him into committing a crime, and you hoped to catch him by telling lies, didn't you?" queried Mr. Maclean, the witness answering "Yes" to each of counsel's questions.

Joseph Boyd Love, manager of the Merchants' Casualty Company, of Vancouver, took the stand and told of the visit of LeChance and Ledoux to his insurance office. Witness said he had asked LeChance a number of questions and, believing he had the ability to sell insurance, appointed him an agent and gave him the company's forms and advertising matter. Mr. Love denied that he also appointed Ledoux an agent of the company. Witness said that he had asked LeChance if he was in the employ of the Liquor Control Board and the latter said that he was not, although he thought Ledoux might be.

Didn't See Any Beer Served

Testifying that he was at the Sooka Harbor Hotel on July 6, and had had a drink of ginger ale with Major Nicholson, Mr. Miller Higgs, J.P., a resident of Sooka for twelve years, said that LeChance and Ledoux, whom he had met at the hotel, told him that they were insurance men and asked him about the prospects in that line in the district. Witness said they secured something to drink, but didn't notice what it was, as he wasn't interested. He said that he hadn't seen any money pass between them and the accused, and denied he had seen any beer served there that afternoon.

Major Nicholson, who served overseas with the 67th and 64th Battalions during the war, gave an account of LeChance and Ledoux's visit to the Sooka Hotel on July 6, where they registered. On the next day, said the accused, Mr. Miller Higgs and himself were playing billiards when the two stool pigeons and his friend Laundry walked in. "Well, George, have you got any beer?" said Laundry to him, witness stated. "You know darned well that I haven't any for you," retorted the accused.

Sold Soft Drinks

The accused said that he kept his beer in the ice chest of the basement, and declared he has never had any beer in the billiard room. Witness served some kind of soft drinks to LeChance, Ledoux and Laundry, but was unable to remember how much they had paid for it, he testified. Major Nicholson said he had secured his beer on permit, and kept the beer for his own purposes, and treated only friends in his private office in the hotel. The accused said that he had never sold beer in the barroom since the Government Control Act came into force.

In reviewing the case for the defence, Mr. A. Maclean, K.C., charged that the whole proceeding was "a deliberate scheme by using the most outrageous falsehoods and lies to out Nicholson's throat. It appears that this affair was hatched in the office of the Liquor Board, and these stool pigeons were hired to obtain evidence against the accused."

"If so," Mr. Maclean continued, "anything worse could not be imagined than foisting such a scheme upon an innocent insurance company. I need hardly state the damage which these stool pigeons would do to it, for the general knowledge that they were representing the firm would be enough to damn the company in any district."

Claims Statement Untrue

"LeChance has the audacity to swear that he went to the insurance company's office with the honest intention of becoming an honest in-

A Revelation in Shoe Savings

Right now, with the beginning of the Fall season, when everybody needs shoes, with school starting and the youngsters all to be shod, comes the most splendid opportunity in years to save in a substantial way on shoes that are known to everyone as the best the market affords.

That the public realizes the genuineness of this sale was strongly attested by the enormous crowd on Saturday. Our 20 salesmen were unable to serve all. Many were compelled to leave because we could not take care of them. But they'll come back. They know every purchase means money saved.

621 Fort Street, Victoria, B.C.

insurance agent. No more barefaced lies were sworn in a court of justice. It is so gross that Ledoux refused to support his fellow-constable."

Mr. R. C. Lowe, for the prosecution, said that it was necessary to use the police constables in order to catch the alleged liquor act offenders, and that it was not the first time that it had been done. He frankly admitted that the raid had been concocted in the Liquor Board office, and said that it wasn't expected that the police constables would go up to a man and say, "We're police officers. Look out, we're going to get you for selling liquor."

Crown counsel said that the accused had been unable to definitely say what drink he had served the constables, while Mr. Higgs clearly

BEECHAM'S

Sweeten the Stomach

PILLS

stated that he hadn't seen what drinks had been sold. Mr. Lowe said that the chief issue was whether the accused sold beer or not. He contended that the evidence showed that a sale had been made, and urged a conviction.

Decision Reserved

Decision in the case was then postponed until this morning at 10 o'clock.

The charge against W. R. Davidson of "selling liquor" was remanded until tomorrow morning. Pleas of not guilty were entered by Mr. H. A. Maclean, who is representing Davidson.

Lester Bayne and Frank Kershaw, both of whom are charged with "selling liquor," pleaded not guilty and were remanded without hearing until this morning. Mr. Ernest Miller is appearing on behalf of both accused.

Japanese Leave Siberia

TOKIO, Sept. 5.—Japanese military evacuation of Siberia started yesterday. The transport Kumanoto took the first contingent of troops to Japan. The second transport is scheduled to sail today.

HINDUS AND MOSLEMS ENGAGE IN RIOTING

CALCUTTA, Sept. 5.—The Muharram Festival celebrating the first month of the Mohammedan Year, passed quietly here. At Telinipara, however, a town about 10 miles from Calcutta, serious rioting and clashes between Hindus and Mohammedans occurred, during the course of a Mohammedan procession when Hindus looted the bazaar. Armed police restored order after one person was killed and fifteen were wounded.

**SOLDIERS' REUNION
SPORTS AT DUNCAN**

DUNCAN, Sept. 5.—The Cowichan soldiers' reunion held on Labor Day proved a huge success. The sports grounds, where the afternoon programme was held, is certainly an ideal spot, and yesterday it appeared at its very best.

The sun shone gloriously all afternoon, and the programme of sports was run off according to schedule, without a hitch. The committee in charge are certainly deserving of great credit for their efforts.

The dance held in the evening in the Agricultural Hall was also a most successful affair, being attended by some three hundred people. Mr. Henderson's six-piece orchestra supplying the music for the dancing, the ladies' auxiliary of the G.W.V.A. taking care of the supper arrangements.

The following were the prize winners in the sports programme—

Summary of Results
100 Yards, men, open—1. Vernon Tait; 2. A. Drome.
Back race, men—1. Arthur Joe; 2. Christopher Canute.

Back race, ladies—1. Molly Moon; 2. A. Robertson and P. Hanham, tie.
Egg and spoon—1st heat, Mrs. Rolleston; 2nd heat, Mrs. Hall. Final—1. Mrs. A. Robertson; 2. Mrs. Hall.
Thread and needle race—1. Mr. and Mrs. Beckwith; 2. Mr. and Mrs. J. Evans.

Returned men, 100 yards—1. A. Drome; 2. Pat Forrest.

Back to back race—1. Miss A. Robertson and S. Anghu; 2. Miss Molly Moon and Mr. Macle.
Half mile—1. W. Parker; 2. A. Drome.

75 Yards, ladies—1. Pat Mohr; 2. Anna Kier.
Wheel race—1st heat, 1. R. W. Tull; 2. J. Savage. 2nd heat, 1. J. P. Lequans and Pat Forrest, tie. Final—1. Pat Forrest; 2. R. W. Tull.

Boy Scouts' relay race—1. Howard Phillips (captain), H. Lever, C. Lefever, C. Bradshaw, 2. H. Whan, C. Drome, F. Brookbank, R. Balstone.
Girl Guide race, handicap—1. Iris Stock; 2. Pat Mohr.

Old man's race—1. E. W. Carr Hill; 2. Willie Louie.
High jump—1. Wilfred Smith; 2. Howard Phillips.

Tug of war—1. Somers, Sahlman team (Messrs. J. B. Ackland, E. N. McNaught, Smythe, J. Y. Copeman, Wilfred Smith, J. C. Eastwood, Hugh Savage, Robinson and W. K. S. Horsfall).

Children's
Wolf Cuba in uniform, 75 yards—1. Jack Strouger; 2. Tom Spencer.
Brownies, in uniform, 75 yards—1. Mabel Landell; 2. Doris Spencer.

H. J. Scott 74 24 96
W. S. Terry 74 24 97

A ladies' medal competition also was played at Colwood, the results of which will not be known until today.

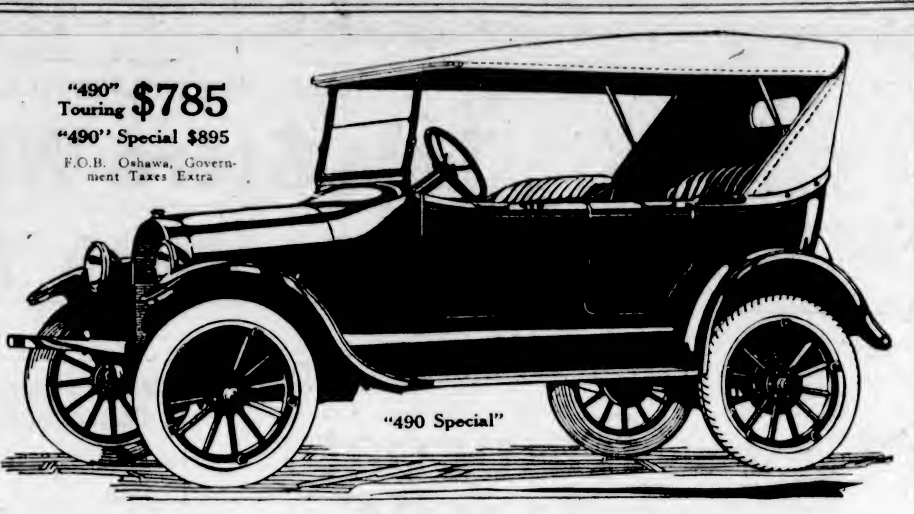

BASEBALL TONIGHT

Today's sporting attraction will be the Independent Baseball League fixture at the Stadium between the Native Sons of Canada and the Automotive Trades baseball teams, which is scheduled to start at 8 o'clock. The Automobile men will start with "Whis Bang" Dutton on the mound and Williams will do the receiving at the other end. Should the Sons find this pitcher easy going he will retire in favor of Dunn.

The Native Sons will in all probability start with Lauressen on the mound and Hilton will fill the position as catcher. This game is the first to decide which team will take possession of the Rithet Cup for one year. The second game will be played on Saturday.

**VETERANS SELECT
SOCCER ELEVEN TO
PLAY SEATTLE TEAM**

Following is the Veterans' Alliance soccer eleven chosen last night to play the Seattle Veterans' team on Saturday in aid of the Billy Muir fund: Leeming; Taylor; and Rickinson; Spears; E. Wright; and Sweeton; Cummings; Merfield; Small; A. Muir; and Clarkson; reserves: Church; Harwood; and Watts. An additional attraction will be an exhibition boxing bout by the Davies duetweights, Abbie and Jumbo.

**The Fastest Selling Complete Car**

The Chevrolet is the most satisfactory low priced, fully equipped, most economically operated automobile in the world today.

This year's motor car buyers have recognized this fact to such an extent that 1922 has seen Chevrolet become the largest producer of high-grade automobiles in the world.

The Chevrolet has many improved features. It has a new front axle assembly, a new rear axle assembly including spiral ring and pinion gears.

The clutch has been improved. In addition to its service brake, a hand-lever emergency brake has been provided. The front and rear springs have been re-designed to give easier riding.

With such improvements the Chevrolet is indeed superior—superior in first price because no car of similar equipment and quality can be bought for less—superior in maintenance cost because it has the lowest cost of operation of any car built.

Chevrolet Invites Comparison Because Comparisons Sell Chevrolet

**COURT HAS NO POWER
TO UNSEAT MEMBER**

MOOSE JAW, Sask., Sept. 5.—Mr. Justice Embury and Mr. Justice MacKenzie, after argument today on the application for the unseating of H. M. Johnson, member for Moose Jaw, unanimously decided that they had

no jurisdiction as justices of the Court of King's Bench to decide Federal election petitions. In their judgments both justices pointed out that the Supreme Court had been abolished by an act of the Saskatchewan legislature, and that the Court of King's Bench had been

substituted. The legislature had conferred as much power on the Court of King's Bench as lay within its prerogative, but the judges did not believe the legislature was empowered to confer jurisdiction in the hearing of Federal election appeals upon that court.
